Mayor Candidates Extoll Pans, Policies in Public Forum Meet

All three Granite City candidates for mayor in next Tuesday's primary election agreed there is need for "unity and harmony" in the city administration, but each differed in his approach toward solution of the problem in talks last night before an enthusiastic and responsive crowd of nearly 700 persons.

They agreed, also, that Granite City needs an overpass to West Granite, that the job of mayor should be full-time and that much remains to be done in the city's street improvement program, but they differed again—this time on which of them was best qualified to do the job and therefore should be elected mayor.

Mayor Biographies Published Today

Biographies of the three mayor candidates in Tuesday's primary election are published by the Press-Record today on page 33.

In conjunction with the biographical material, the Press-Record also presents the answers of the mayor candidates to 15 questions pertinent to their candidacy and their policies of municipal operation.

Two of the candidates may be nominated Tuesday for the April 1 runoff election, or it may be possible to elect the city's mayor in the primary.

Revitalization of the downtown area and a longer work week for the mayor which, he said, "could include Saturday and Sunday."

The success of any of these projects, however, lies with council action and for that reason unity and harmony on the city council are necessary, Boyd said.

"It is a problem we have to rectify... we must have a city council on which everyone gets along with everyone else regardless of political beliefs. I believe the time has come when some of us must stick out our hands and say 'let's work together,' for, after all, our main objective is to serve the people of Granite City."

"The city gets very little of your tax dollar—only about 15 cents," the mayor said, adding that the city operates on a budget of \$2.5 million each year.

"As a result I have made it my business to bring to the city as much federal funds as possible," he said. "We now

could be paid off as early as 1974, instead of the scheduled 2000 year date. As for revitalization of the downtown area, Boyd said, "our biggest problem right now is getting a program worked up for rehabilitation of the downtown area sparked by extensive parking facilities."

Unless this is done soon, Boyd said, "the downtown area

PARTNEY

Boyd and Waldo E. "Ernie" Schellenger, a real estate broker—outlined their plans and policies of city administration.

If elected mayor—during a public forum session sponsored by the Tri-City Chamber of Commerce in the Granite City high school cafeteria.

Orderly, Smooth Session

The orderly, smooth session was unmarked by the customary political charges and countercharges as the candidates stuck closely to their own intended programs of progress for city development if they win out in their respective bids for the city's top job.

Each candidate was limited to a ten-minute presentation, followed by a three-minute rebuttal for each and a three-minute period for answers to questions that were submitted by the audience on cards.

Despite a steady rain that started early in the afternoon, attendance at the forum virtually filled the seating capacity in the large cafeteria and many members of the audience wore straw hats, announcing their support of either Partney or Boyd. A number of youths of under-voting age was among the crowd.

Randall Robertson, moderator of the forum session, presented Partney as the first speaker after lots were drawn to determine the order of presentations by the candidates. Before the candidate spoke, Robertson presented biographical information of the respective candidates.

City Is Big Business

Partney, the first candidate to speak, pointed out that the operation of Granite City is "big business" and that in answer to the question of being a full time

Citizens Group Sets Mayor Pay At \$13,200 a Year

A recommendation by a special citizens committee to increase the salary of the mayor next May to \$13,200 (\$1100-a-month) with an annual expense allowance of \$1500 and a car allowance of \$50 a month was placed on first reading Monday night by Granite City council members.

The citizen group also proposed the salaries for the new-elected city clerk and city treasurer to be \$11,400 (\$950-a-month).

To present the mayor's salary is \$10,500, (\$875-a-month), and there is a \$1500 annual expense allowance by ordinance.

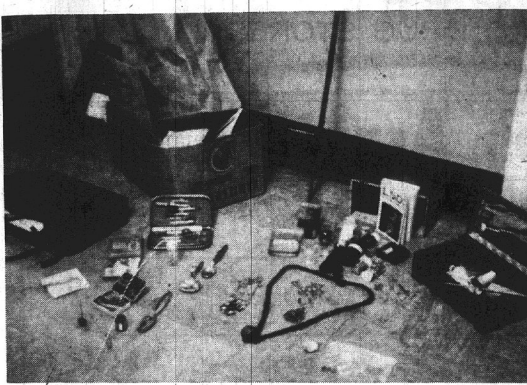

The current salary of City Treasurer E. R. "Pat" Rich, who will be re-elected in April 1 election, is \$8900 (\$740-a-month), and City Clerk Homer "Cal" Pendleton, who has opposed from Comptroller Robert Stevens, a \$4800 (\$400-a-month) plus the fees collected from birth and death certificates and hunting and fishing licenses. Under the proposal, all fees would be turned over to the city for general fund purposes.

Council Could Not Agree

The matter of pay increases was discussed at last week's meeting. The council members were divided on the issue.

Among the issues discussed at last week's meeting were the proposed overpass to West Granite, the street improvement program, and the revitalization of the downtown area.

NARCOTICS PARAPHERNALIA seized in a police raid early Wednesday at an apartment at 2116 Delmar avenue. Included is an assortment of drugs and a book on LSD. Six persons in the apartment were arrested.

Richard Meyer Wounded Sunday In Vietnam Action

Army Pvt. Richard G. Meyer, 26, was wounded Sunday in Vietnam while engaging the enemy on a combat operation. He is the son of Mr. and Mrs. Elwyn A. Meyer, 3221 Davis avenue.

The serviceman presently is hospitalized in Vietnam with a fragmentation wound to the right arm. The injury is not right arm.

Son Comes Home, Grandson Arrives

Mr. and Mrs. John J. Levy, Jr., 821 G. Franklin street, Venice, had a double reason to celebrate yesterday.

Their son, Sp5 James Levy, returned home after spending a year in Vietnam, and their daughter, Mrs. M. Presley, gave birth to a daughter at Jewish Hospital, St. Louis.

8 Undergo Surgery At Local Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Monday:

Alma Chappell, 2523 Madison avenue; Stanley Czajka, 161 Keith Shabley, 1906 S. State street; Linda Davis, 24 Jeanette drive; Raquel Sarasa, 2227 Delmar avenue; Marla Gall, Bend road, East St. Louis.

Wild Council Debate on Poll Judge Meals

A long, wild debate over meals for election judges in next Tuesday's mayor primary election had Granite City council members laughing at themselves Monday night.

A man and wife in the audience to complain of several thousand dollars damage to their basement in a sewage back-up last week even smiled.

The big issue was whether to go all-out in the city's first election to furnish meals for 145 judges in the 29 polling places or to accept the low bid.

Council members debated the issue of the meals offered in three bid proposals, the merits of the caterers and whether or not the poll judges would like chicken.

Levee District Budget Hearing Tomorrow

New appropriation and budget measures scheduled for adoption by the East Side Levee and Sanitary Districts board in a special session tomorrow call for 1969 expenditures of \$1,076,250 out of the general fund, down \$65,766 from the general fund figure for 1968.

The board also is expected to approve a 1969 appropriation of \$1,069,693 for payment of bond principal and interest, a reduction of \$26,559 below the \$1,096,252 bond payments appropriated a year ago.

The combined general fund and bond account appropriations for 1969 amount to \$2,135,945, or \$22,244 less than the overall appropriation in both funds for the 1968 year, according to the new bills presented at the levee district office.

Action on the budget and appropriation is scheduled for 10 a.m. tomorrow in the

11 Business Firms, Four Homes Hit in Burglaries

A new spurt of burglary activity in which thieves hit eleven business and commercial establishments, four homes and a school was reported to Quad-City authorities since Monday. More than \$800 in cash was obtained at one of the home burglaries. An Eagle Park resident lost \$360 in a strongarming.

Merchandise valued at \$450 was stolen in a burglary at the Gulf Oil station, Pontoon road and Braden avenue during the weekend, it was reported. Entry was gained from a broken window. A lock on a sliding door was broken and a truck or auto was driven into the garage.

Taken—were six 50-gallon drums of bulk oil valued at \$300, 15 five-gallon cans of motor oil valued at \$90, and five 120-pound drums of lubricating grease valued at \$80.

3777 Whiskey Stolen

Burglars who apparently had removed a bar from a basement door during regular business hours, returned early yesterday morning hauled away 3777 worth of whiskey and took \$60 in cash and a 38 caliber revolver from American Legion Post 799 in North Venice, police reported at 8:35 a.m. yesterday.

Nathan Porter, commander and bar manager of the Post 799 Hall, said he closed the place about 1 a.m. yesterday and checked a basement door, but did not check the bar on the outside door which is seldom used. The thieves took one case of half-pints of whiskey worth \$85, three cases of half-pints worth \$220 and one case of quarts worth \$72.

The \$60 in cash and the gun were taken from behind a bar. Entry was gained through the unbarred door in the basement, but a panel was knocked out of another door between the basement and the bar room, police said.

Five Youths Nabbed

Five youths, including three juveniles, were arrested at 11 p.m. Monday at West 22nd street and Missouri avenue shortly after a burglary at the T&R Drive-in restaurant, 2327 Washington avenue.

Charged with burglary were Billy Joe Creek, 17, of 2001 Fourteenth street, and Virgil Thomas Hays, 18, of 1911 Seneca street. The other two youths were found in their auto. They are questioning the quietest concerning other burglaries.

Entry at the restaurant was gained by prying the lock off the rear door and breaking the door glass. The cash register was ransacked.

Merchandise taken, valued at \$29, included a gallon of pickles, a side of ribs, two boxes of cod fish, three loaves of bread, eight pounds of beef, five bags of chips, some cracker meal, two pounds of hamburger. Also taken were cannisters for the March of Dimes and Muscular Dystrophy fund drives.

Other Burglaries Cleared

Police cleared four other house burglaries with arrests. Monday afternoon of a 16-year-old continued saying the only way the council could go was to accept the low bid.

Police Conduct Narcotics Raid, Nab Six Persons

A squad of Granite City police and a county prosecutor conducted a narcotics raid at a first floor apartment at 2116 Delmar avenue early Wednesday. Six occupants were arrested, and narcotics and instruments were confiscated.

Authorities decided against presenting a bill of particulars at a preliminary hearing which had been set for 4 p.m. Wednesday, and the charges were dismissed by Magistrate William Johnson.

However, the state's attorney's office plans to present the case to the Madison county grand jury tomorrow to obtain an indictment, after which bench warrants will be served and bonds set. Bonds initially were set at \$15,000 each yesterday morning.

Charged with unlawful possession, control and use of narcotic drugs, and with unlawful possession of instruments adapted for use of narcotic drugs, were:

Wallace B. Goode, 29, of 2624 Lincoln avenue; Rodney A. Applegate, 24, of 1924 Benton street; Larry L. Richardson, 22, of 2116 Delmar avenue; Robert T. Finley, 22, of 1406 State street; Joyce L. Mills, 18, of 204 East 34th street; and Judy E. Lovell, 21, of 2116 Delmar avenue.

Among the items seized was a pocket book with the "title"—LSD.

The raid started about 2:30 a.m. when six police officers and a county prosecutor reached the apartment.

Police Chief Ronald Vetter said they acted on information which was obtained by the department but which cannot be divulged at this time.

Major details of the case, including possible sources of supply and the extent of the narcotics ring, were withheld as police maintain the narcotics agent are continuing an investigation.

Maximum Penalties

Maximum penalties on the two charges vary.

For possession or control and use of the maximum for the first offense is a fine of not more than \$1000 and two to five years in prison, and for a second offense, five years to life in prison.

For possession of instruments, the maximum for the first offense is a fine of up to \$1000 and a year in the county jail or both; for the second offense, it is a fine of up to \$2000 and a year in jail; and for the third, it is not more than two years in prison.

Madison Leases Five-Acre Tract To Mal Landfill

Lease of an additional five-acre city-owned tract on Chouteau Island to the Mal Landfill Corp. was approved by the Madison city council at a meeting Tuesday night.

Mal will pay the city \$4000 per year at the rate of \$4000 a month as rent and will provide free dumping for Madison, which Mayor Stephen Maers estimated would be worth \$350 to \$400 a month to the city.

The mayor noted that the city is reserving a 100-foot buffer strip from the Clinton farm property line so that residents there will not have a landfill in their back yard. The strip covers 50 to 60 acres, he added.

The lease may be terminated on 30-day notice by either side. In the event the landfill license is rescinded by the city or state, or if the land is leased prior to five years, the lease is terminated automatically.

Mayor Maers commented that he continues to prefer use of incinerators to landfills.

The city currently is seeking a special use permit to set aside land on the other side of old Bypass 66 for landfill purposes. Hearings on the city petition have been completed by the Madison county zoning board of appeals, and a recommendation may be made at the Feb. 19 meeting of the county board of supervisors.

GC Major Crimes Up During 1968

The mayor announced that a meeting is to be held at 1 p.m. Feb. 25 at the office of the Southwestern Illinois Metropolitan Police Department.

Major crimes in Granite City totaled 207 during 1968, an increase of 173, or less than one per cent, according to Chief of Police Ronald Vetter.

There were no criminal homicides during the same as the year before.

The crimes included forcible rape, 173; robbery, 20; assault, 37; burglary, 472; up 56; larceny, 1214, up 116; and auto theft, 271, down 12.

A total of 35 crimes were cleared by arrests, including three robberies, four rapes, two assaults, two burglaries, 160 larcenies, 75 auto thefts and 93 other cases.

29 WITHOUT A QUAD-CITY TRAFFIC FATALITY

Police made a total of 2777 arrests, down 594, including 2119 traffic arrests, down 516, and 658 other arrests, down 78. There were 312 additional charges, down 65.

The department answered 15,632 complaints during the year.

Von Dee Cruse Not Campaigning For Write-In Vote

Von Dee Cruse, former township assessor who planned to run for the office of mayor but then did not file, was interviewed at last night's mayor forum by the Press-Record and said he would not campaign for a write-in vote.

"I know some people wanted me to run—and I may in four years—but I would prefer that people know that I favor their choice of one of the three candidates on the official ballot."

"Any attempt at a write-in vote might just cause a mix-up in this primary election, and the primary is unnecessary and is costly, and I wouldn't want to do anything to foul up the works."

"I hope there is a big turnout next Tuesday, and I would be out there if all the money was spent for a primary and only a handful of voters show up at the polls."

Cruse added that although the crowd at the forum was larger than usual, "There doesn't seem to be too much interest in this primary."

29 WITHOUT A QUAD-CITY TRAFFIC FATALITY

Police made a total of 2777 arrests, down 594, including 2119 traffic arrests, down 516, and 658 other arrests, down 78. There were 312 additional charges, down 65.

Rotarian Hears Of SIU-SW Soccer Team Exploits

Soccer and the increasing public interest in the sport provided the topic for Bob Guelker, soccer coach at SIU-SW campus, who spoke to the Granite City Rotary Club Tuesday at a luncheon meeting at the YMCA. Guelker, former coach at St. Louis University and president of the National Soccer Association, spoke on the challenge at SIU-SW in the field of varsity sports. He said there are only five sports at the university at the present, but more will be included as the expansion of facilities and the budget allow. Guelker said, "The soccer equipment and fields are the best I have seen. There are special training features with a training field as well as a game field. During 1967 the soccer team had a six-game schedule which was increased to 10 in 1968 that proved to be a winning year. May Tour England. This year, the coach said, the team has a 12-game schedule and a tournament in Akron. There also is hope for a tour in England this summer and for becoming eligible for invitation to the national championship games. The coach added there will be another World Cup Championship in 1970 in Mexico and hopes that an American team will be able to compete. During the business session, it was announced that John Polson will serve as general chairman for the Modern Living Show next May 22-25. Named to the show committee were Harold Bauman, treasurer; Dean Maberry, physical facilities; Wayne Shelton, booth sales; Carl Mathis, sales coordinator; Marvin Van Metre, work assignments and tickets; Raymond Ruffer, inter-act assignments; Donald Adams, security, police and fire protection; Herbert Schermer and Eugene Huber, prizes; Eugene Goe, publicity and advertising. Honors for Pashoff. Special recognition was given to Christ Pashoff on the letter, which appeared in the Press-Record Monday, praising his handling of children at the Washington Theatre, where he is manager. The club also discussed participation in the Rotary International Foreign Student dinner-dance March 8 at the Sheraton-Jefferson Hotel, St. Louis. A new Rotarian Joseph Smith was introduced by Warren Decatur, club president. Smith replaced Roger Ward at local Southwestern Bell Telephone Co. manager.

Levee Board Proposes New Drainage Study

A detailed engineering study to pinpoint every needed drainage improvement in Madison and St. Clair counties was proposed by the East Side Levee and Sanitary District board yesterday as a supplement to the Hillside Drainage program that may be drafted by federal or Illinois state officials.

After a discussion initiated by William "Mike" Ebersold of Venice, a Madison county member of the levee board, the trustees authorized Horner & Shiffrin Co. engineers to submit a report within the next month on estimated cost of such a study.

Ebersold suggested the survey be made "so that we can be sure that every drainage problem in the levee district is included in any Hillside Drainage program that is worked out in the future, whether those problems are regular levee district drainage projects or whether they are just bad drainage problems within the district."

The Venice board member said that he made a check of Madison county a week ago and found many areas that, while they are not now regular levee district responsibilities, they constitute drainage difficulties that "certainly should be made a part of an overall correction program." He cited areas such as Long Lake, Pontoon Beach and the slough that cuts through Angela drive as serious problems.

"If those are not included in an overall drainage problem just because they are not routine established projects of the levee district, then we won't get anywhere," Ebersold said. He told other members of the board that "I'm sure you have a number of similar conditions in St. Clair county that also should be worked out."

Ebersold said that he believed the preparation of an engineering study also would "show federal and state officials that we are willing to play our part in the program (Hillside Drainage) and don't expect them to completely carry the ball for us."

Prior to the levee board meeting, Ebersold told the Press-Record he expects to confer soon with Cong. Melvin Price (D-East St. Louis) to discuss plans for getting the Hillside Drainage program under way. Illinois officials have agreed to act as sponsors of the program, but extent of state sponsorship will depend upon the availability of state funds as a local matching share necessary to guarantee federal grants.

The board was informed in yesterday's meeting that a savings of \$2,685 has resulted from a decision by the Housing and Urban Development Agency not to require payment by the levee board of a 1958 advance made for HUD for planning and engineering studies for the levee district's Lansdowne sewage treatment plant.

The grant was made for planning of the sewage treatment system, since built, that would have included participation by several communities that later

geroff, the mayor reported. It will contain the name of the park, will list participating industries and will include names of city council members.

The mayor reported that plans are being made to install lights along Calne drive, on the east side of Parish street and throughout the park area, and that trees are to be planted to make the area more attractive.

Traffic Warning Sign Plans also are being made to install a warning sign and enforce a 15 mph speed limit to control traffic entering the city from the Broadway viaduct.

A discussion was held on a recent accident at Second street and Madison avenue where an auto fell off a truck while it was maneuvering a turn.

The cities of Madison and Venice will be designated on Southern Illinois University's Southwestern campus maps, according to a letter from George T. Wilkins sr. of the university staff.

The mayor said he had noted the absence of the Hameses while communities as South Roxana, Hartford, East St. Louis and Collinsville were designated, and he wrote a letter of complaint.

The Easter Seal Society was granted permission to conduct a door-to-door campaign in Madison on March 6.

An annual police report submitted by Chief Emmett Pazio showed 82 persons booked, up 223, with 153 juveniles taken into custody, up 54; 349 traffic tickets issued, up 58; 372 traffic accidents, up 31; two fatalities, up one; 110 persons injured, up 42; 38 persons bitten by animals, down three; and 345 animals handled by the humane officer, down 44.

Driving Charge Filed Lawrence D. Kazadulski, Apt. 26 Garcesse Homes, Madison, was charged with careless driving at 2:55 p.m. Tuesday at 38th street and Madison avenue.

tan Area Plan Commission between U.S. Housing & Urban Development Department representative and municipal officials to discuss the impact of new HUD regulations and other new federal programs upon small communities.

He said the changes will have much to do with the city's community renewal program.

Nameski township has agreed to finance half of the proposed installation of a traffic signal at Sixth street and McCambridge avenue, pending approval of the Madison county highway department and the Illinois highway division, a letter by Harry Briggs, township supervisor, reported.

McCumbridge avenue is the boundary line between the city and the township.

Mayor Macrae said that Lee Schlemmer, county highway superintendent, has expressed approval of the plan but that financial arrangements would have to be made with the city, as the county has no motor fuel tax appropriation for the purpose.

Name Humane Officer The council confirmed the appointment of Andrew Dubish, 1027 Alton avenue, as humane officer to replace Charles Bridick, who has become a probationary patrolman.

The mayor noted increase in the number of dogs roaming the city and said that on Tuesday Dubish rounded up nine of them. Dubish is a retired employee of Granite City Steel Co.

An easement was granted to Illinois Power Co. to place transmission lines in the Maer Industrial Park with the provision that the lines be moved at company expense if they conflict with development of property.

An entrance structure for the industrial park is being designed by architect Virgil Dul-

McBrien Elected Head Of Barbers Local 483

Dale McBrien, veteran vice-president of Barbers Local 483, was elected president of the local at a meeting Tuesday night at the Labor Temple.

He succeeds Jess Harris, president for the past 14 years. McBrien, of 2917 Fortune drive, operates the White Way Shop at 923 Madison avenue, Madison.

Others elected or re-elected were Lester Holsinger, vice-president; Dale Reiman, recorder; Carl Buehler, secretary; L. A. Harlow, guide; and Harry Hill, auditor for a two-year term.

Dodges Car, Spins Out

Dodging a car coming toward him, Allen L. Engenbreton, Granite City Depot, lost control of his auto, spun around and stopped on the sidewalk across the street at 18th and State streets at 12:15 a.m. Wednesday. The undercarriage and left rear tire were damaged, as were the General Steel Industries fence and a bus stop sign.

Army Pvt. Danny J. Malloy, 17, son of Jewell Malloy, 2811 West 24th street, has been assigned to the 3rd Infantry Division near Schweinfurt, Germany, as a truck driver.

S/Sgt. Mitkos is Training Expert on Viet Cong Tactics

Because of the constantly changing field situation in Vietnam, training is a continuous affair in the 18th Military Police Brigade. Lessons learned in practice are passed along to all personnel as soon as practical.

As part of the 89th Military Police Group Training program, new men learn the latest Viet Cong village tactics in brief, informal classes given shortly after their arrival in Vietnam.

The instruction is a thorough review of the methods of sweeping and searching a Vietnamese village for Viet Cong, their hiding places, supply caches and well-concealed booby traps.

With the aid of a highly detailed and life-like scale model of a Vietnamese village, the instructor, S/Sgt. Lynn Mitkos of Granite City, a member of Company D, 57th Infantry, 18th MP Brigade, points out to the students various escape routes and hiding places that "Charlie" might use in a village.

Pitfalls, Ambushes

S/Sgt. Mitkos also shows the soldiers the pitfalls he is likely to fall into if he is not constantly observant, indicating the most likely places for booby traps and ambushes.

The Vietnamese mock village, complete with punji pits and tunnels, was obtained through the 18th MP Brigade S3, and the orientation sessions were the idea of the 89th Group's S3 officer, Capt. Leland Roy of Columbus, Ga.

"The men really seem interested, judging from all the questions, they raise during and after the classes," the local serviceman said.

A son of Mr. and Mrs. Leslie J. Mitkos, 2524 Forest avenue, the soldier presently is serving a second tour of duty in Vietnam. Recently, he voluntarily extended his service time overseas an additional six months, according to Mrs. Mitkos, who said the sergeant is expected home March 1, on a 30-day leave.

Four Purple Hearts

S/Sgt. Mitkos, who soon will observe his 22nd birthday, is a five-year Army veteran. He holds the Bronze Star Medal with "V" Device; four Purple Heart Medals; the Vietnamese Service Medal and the Soldier's Medal.

He was awarded the Bronze Star for heroism in action on Nov. 18, 1967, while patrol leader of an ambush patrol with the 60th Infantry, 9th Infantry Division.

The citation states that the local soldier deployed his forces along a Viet Cong trail and when set upon by the enemy used hand grenades to break the attack and force the enemy to flee into the jungle. No casualties were suffered by Sgt. Mitkos' patrol during the encounter.

HIDING PLACE FOR CHARLIE. S/Sgt. Lynn Mitkos of Granite City, with pointer, indicates likely hiding place of a Viet Cong booby trap for new men arriving at the 89th Military Police Group headquarters in Vietnam. A life-like scale model of a Vietnamese village is used in the orientation program.

Six Area Students Win Eastern Honors

Foster Parents for 35 Weeks Family Retiring From Businesses Here

Worlen and Ellen Weeks, who reside at 2704 Lincoln avenue, who have been foster parents for about 35 youngsters, are announcing plans for retiring after business at the corner of East 23rd street and Nameoki road for about 24 years.

They began there in 1945 with a small restaurant and service station. After one year, a fire all but destroyed the structure and the restaurant was rebuilt to accommodate more patrons.

In the ensuing years they gave up the restaurant business in favor of a furniture store and trailer court, the latter located west of the original property. The trailer court began with renting parking space for the trailers, but at the present time the trailers are owned and rented by the Weeks family.

Mrs. Weeks said, "My husband and I attribute our success in business to the fact we have been foster parents to about 35 children during the years. This has been the most rewarding venture we have ever undertaken."

They have two sons, Donald Weeks, now living in Lee Hunt Hills, and Lloyd Weeks, who makes his home in Collinsville. Of the other children, Lela has raised, she received state aid for only five, assuming the financial responsibility for the care of the other children.

They have also taken several mental patients from Alton State Hospital who were required to live in a foster home for two years for rehabilitation after leaving the hospital. "We have been very successful in these people as not one has had to return to the hospital," Mrs. Weeks commented.

At one time, the Weeks' had to enlarge their home to take care of additional children. Although the children in their home provided them with great happiness and satisfaction there were also some very unhappy events.

One foster son, Marine Cpl. Herschel Ballew, was killed in the Quad-Cities for 40 years. Surviving are her husband, Robert; one daughter, Mrs. Albert (Wanda) Kutera of Granite City; three sisters, Mrs. John (Gertrude) Faro, Englewood, Colo.; Mrs. Hazel Beasley, Granite City, and Mrs. Mary Polson, St. Louis; and two grandchildren.

Funeral arrangements are given in today's obituary column.

Sister Bernadina of India Visits Hospital

Sister Bernadina from Canmore, Kerola, India, an Ursuline Sister, visited St. Elizabeth Hospital this week and was taken on a tour of the hospital facilities for a first look at where she will be working as an administrative resident in 1969-70.

She arrived in the U.S. in 1963 to complete her pregraduate work in sociology at Mount Mercy College in Pittsburgh. Sister Bernadina is currently in her academic year of the Master program in Hospital Administration at St. Louis University.

She will join the staff at the hospital this June.

Extra Skating Session At Wilson Park Rink

With schools closed next Wednesday (Lincoln's birthday), an extra skating session is planned that day at the Wilson Park ice rink, between 12:00 p.m. and 3:00 p.m. It was announced today by Harold Brown, parks superintendent.

Regular admission prices will be charged, he said.

Mrs. Anna Merz, 82, Dies; Ill 3 Months

Mrs. Anna Merz, 82, of Rural Route One, died at 1:30 a.m. Wednesday in St. Elizabeth Hospital. Ill for three months, she had been hospitalized for seven hours.

"She was born in Yugoslavia and lived most of her adult life in this area."

Mrs. Merz was a member of St. Margaret Mary Roman Catholic Church.

Survivors include her husband, Anthony; one daughter, Mrs. Richard (Mary) Parker, and a son, Phillip Merz, both of Granite City; a sister, Mrs. Fanna Kries, who lives in Yugoslavia; a brother, George Kries; and five grand-children and six great-grandchildren.

Funeral arrangements are given in today's obituary column.

Mrs. Thelma Werner, 60, Dies of Cancer

Mrs. Thelma Katherine (Perry) Werner, 60, of 1904 Sixth street, Madison, died at 1:15 p.m. Wednesday at Missouri Pacific Hospital, St. Louis, of cancer. Ill for three years, she had been hospitalized for three weeks.

Born in Pevely, Mo., she lived in the Quad-Cities for 40 years. Surviving are her husband, Robert; one daughter, Mrs. Albert (Wanda) Kutera of Granite City; three sisters, Mrs. John (Gertrude) Faro, Englewood, Colo.; Mrs. Hazel Beasley, Granite City, and Mrs. Mary Polson, St. Louis; and two grandchildren.

Funeral arrangements are given in today's obituary column.

Graveside Services For Vrain Infant

Graveside services were held 11 a.m. Monday in Highland for the infant son of Mr. and Mrs. David Vrain of Highland. Their first child, he was born Saturday at St. Joseph Hospital in Highland and died just a few hours after birth.

Mrs. Vrain is the former Nancy Oliver of Granite City. The grandparents are Mrs. Harold Hemen of Glen Carbon and Mr. and Mrs. Norman A. Vrain of Edwardsville.

Wedding Ring Tradition Derives from Legends

The tradition of today's wedding ring comes from a collection of various legends, according to Russell Walker, manager and supervisor of Hurwitz Jewelers which has a complete new selection of wedding rings.

Historians believe that ancient Egyptians may have invented the first wedding rings as symbols of eternal love.

Early Greeks believed a person's ring finger was as one with the heart, connected by the same vein to the finger ring honored by bands of gold, silver and copper.

February 19 Hearing Set

A Feb. 19 hearing is set for Milton Dunlap, 42, of 105 Lee Wright Homes, Venice, who was arrested by Venice police at 12:05 a.m. Tuesday on a charge of battery. Dunlap was released on a notice to appear.

Early Fouls Cost MHS Conference Road Game

Coach Bob Page's Madison high school Trojan basketball team found itself in foul trouble Tuesday evening at Dupo and as a result lost the Midwestern Conference game 67-53.

Roxana leads the Midwestern Conference with six wins and no losses. Triad is 5-3, Dupo 5-5 (its final league record), Bethalto 3-4, Madison 2-4 and Highland 1-6.

The Tigers jumped to a lead of 14-0 at the end of the first quarter, led at the half 35-23 and stretched it to 53-36 by the end of the third quarter.

"We just couldn't hit the basket," said Page. "We missed enough simple layup shots in the first quarter and the outcome of the game completely different."

32 Fouls, 3 Turnovers
"You can't expect to win when you make 32 fouls and turn the ball over 33 times. For the last two games we have had this kind of trouble."

"They used a fast break against us and when we broke with them we usually ended up getting a foul called while trying to get possession."

THE MADISON COUNTY SPORTSMAN

By DON HASTINGS
County Conservation Officer

This has been the quietest hunting season since I became conservation officer. Quail were plentiful, but seemingly hard to find even in places you knew all-way contained quail.

Despite an optimistic outlook, the rabbit hunting, in most cases, was just—blah. True, there were people who occasionally got the limit, but for each one that did, I can tell you about ten who had miserable hunting.

Even night rabbit hunting from autos was not a problem this year. I sat on roads where there had been night rabbit hunting for years and where I have never failed to make several night hunting arrests, and many nights I didn't see an auto let alone one with hunters in it. I would like to think it was due to my effective law enforcement, and I hope I can claim a little credit, but I am afraid that most of it was due to the lack of rabbits.

Night con hunting and trapping were the active sports this year, due to the high price of long haired fur. If prices carry over to next year, there will be even more trappers and a good con hound will bring a higher price.

All the state game wardens attended an excellent law enforcement school in January for four days. It was sponsored by the conservation department and taught by a group of federal wardens. I certainly learned a lot, as the federal wardens are pros in every respect. With these new techniques, the poachers in Illinois had better watch out this year.

Also at the school, we had an opportunity to meet our new director, William J. Rutherford. As you know, of course, we have a new governor and each new governor appoints the heads of various departments, such as conservation.

Wardens, such as myself, and our immediate supervisors are not included, as we are usually the personal staff of employment and have been since the term of former Gov. William Stratton. Most wardens now have been on the force 15 years or more, so we have real experienced men, retained by the security that the code has offered.

With this experienced group, our new director has challenged us to assist him as "salesmen" for a new and improved era of conservation and promised an all-out battle against pollution and other destroyers of our natural resources.

A second very welcome part of Mr. Rutherford's plan is his promised acquisition of more public land. Illinois, as you know, ranks at the bottom of the pole in public land held for recreation and conservation.

Everyone should be ashamed of this situation and assist in any manner possible to start us on the road upward. Land prices are not going to get any cheaper and we simply have to do it now or never. Every phase of government and industry is in competition for the money it takes to accomplish things that need to be done. I think it is up to those of us who place high value on out-of-doors and natural resources, to see that we get our share.

Calling a car a hot performer is one thing. Proving it is another. Torino GT performance speaks for itself. Just how loud is up to you—with six V-8 choices, from a standard 302 V-8 up to the big 428 Cobra Jet Ram-Air. (When this one talks, others listen.)

Torino GT shows it's their apparent to the 1968 NASCAR racing champ. Special handling suspension. Wide oval tires. Competition-style wheels. Stripes. The works. In SportsRooF, 2-door hardtop, and convertible models. And then there's Cobra. All muscle at a very low price.

In all, you have 16 different ways to go in Ford's intermediate line, from the hissing-hot Cobra to the handsome new Fairlans. Every one a winner. Visit your Ford Dealer's Performance Corner soon. Very little talk—lots of action!

I think that we in Madison county ought to hang our heads as the fact is, we do not have one unpolluted stream or creek of any size within the county. You have a conservation department here in Illinois that is ready to do battle. They can not do it alone, but need the help of each person who is concerned. I am sure you will have an opportunity to speak out on this at the polls on proposition that are to be proposed.

Consider these programs very carefully and, after you are convinced, join with us to convince others. Most of us will not have the chance to leave our children or grandchildren a large financial inheritance, but regardless of our financial condition we can leave them something even better—a clean and improved out-of-doors. Won't you help?

DON FREEMAN of the Miami Floridians

Freeman Captain, Top Scorer for Floridians

When the Miami Floridians play two "hot" games in the St. Louis Arena, team captain Don Freeman of Madison will be playing before many of his friends and relatives in southern Illinois. On Feb. 13, the Miami pro basketball team plays against Minnesota; on March 13, it meets Dallas.

The former Madison high and University of Illinois star has been the mainstay of the Floridian attack all season. His present scoring average of 29.9, with 901 points in 43 games, leads Coach Jim Pollard's Miami team.

Freeman, a center in high school and a forward at Illinois, where he holds the all-time scoring record, is 6-3 and weighs 185 pounds. He holds the individual game scoring standard of 42 points in almost two full seasons of Minnesota Muskies.

Miami Floridian action. He hit for that total against the Houston Mavericks on Dec. 26, 1968. In addition, Freeman leads the American Basketball Association in a vital department, assists, a testimonial to his unselfish brand of play. His 14 assists in one game against New York are an individual record for his team.

He finished third in voting for the East All-Star team at guard

Coolidge Grapplers Gain 12th Triumph

The Coolidge junior high school wrestling team finished its dual meet schedule with a 12-5 season record Tuesday afternoon, winning 42-8 at Belleville West.

Remaining is a Cross Keys tournament in St. Louis county Friday and Saturday plus a meet between Coolidge, Grigsby and Pratt at GCIS next Monday at 6 p.m.

Purpose of the Monday competition will be for the high school coaches to get perspective on what can be expected from present ninth graders moving to the high school next season.

Winning bouts Tuesday were Mike Willis (95 pounds) 13-41, Kevin Niebur (103) 11-2, Doug Wilson (112) 1-36, Bob Miller (120) 3-32, Rick Kayser (127) 3-45, Steve Benson (133) 3-38, Casper Burgerer (154) 3-2, Larry Means (165) 10-8, Dennis Bailey (180) 16-0 and Craig Stephens (heavyweight) 1-32.

Losing were Jeff Wortham (138) 6-5 and Dave Serich (145) 2-36.

Soph Cagers Defeat Visiting Maroons

The GCIS sophomore basketball team won its ninth game of the season here Monday evening, downing the Belleville West Maroons 60-53. The local squad has lost five games.

The Warriors led 13-12 at the end of the first quarter, 34-26 at the half and 47-41 after the third period.

Scoring were Mike DeRuntz and Don Harris 15 each, Eric Stuber 10, Rich Moore nine, Bob Swan and John Inland five each and Mike Wilson, one.

Unbeaten Dual Meet Year for Mat Warriors; Host 1st League Tourney

For the first time since 1965, the Granite City high school wrestling team has finished a dual meet season undefeated. The team's latest win was a 43-30 last night at Belleville West.

Remaining on the schedule now for the Warriors is the annual Southwestern Conference meet here Saturday, starting at noon, and then district competition to be held here Friday and Saturday of next week.

Survivors of the district meet will advance to sectional bouts Feb. 21-22 and from there could go to the State Finals Feb. 28 and March 1.

It will be the first annual Southwestern Conference meet Saturday at GCIS.

With the initial bouts starting

at noon, semifinals have been set for 2 p.m. Championship will be decided in a round starting at 7 p.m. Saturday.

GCIS, Wood River Seeded
Not surprisingly, the Warriors, who have dominated conference dual meets for many years, have been seeded first in the league tournament. Wood River is seeded second, Belleville West third, and Belleville fourth.

Other schools competing will be Alton, East St. Louis, Edwardsville and Belleville West. Collinsville will not be represented.

Winning for the 160 varsity Warriors last night were Bruce Miller (95) on a forfeit, Bob Miller (104) in 118, Lenny Wilson (112) by 14-5, Mike Christopher (127) 3-35, Alex Tarpoff (145) 2-29, Rick Smith (154)

2-43, Frank Mellich (165) 7-3, Bob Pates (180) and Mark Mizerski (heavyweight) on forfeit. Steve Panguant (130) wrestled to a 4-4 draw, Ray Burcham (133) lost 2-0 and Tom Niebur (138) lost 5-4.

The junior varsity defeated Belleville West 41-15. Winning by pins were Brad Cross (85) 5-4, Mike Garland (103) 1-58, Randy Fowler (133) 1-38, Bruce Hawkins (165) 1-38, Jim Evans (180) 1-15, and Jim Green (heavyweight) 6-37.

Decision winners were Rick Wickham (145) 20-4, and Russell Gray (154) 9-0. Keith Rogers (120) won on a forfeit.

Losing by pins were Leo Robinson (112) 3-37 and Tom Eason (127) 4-41. The Warriors forfeited the 138 pound class.

Coolidge Wrestlers In 8-Team Tourney

This weekend the Coolidge junior high school Braves will be one of eight teams in the Cross Keys first annual wrestling tournament in St. Louis County. The school is located at the intersection of New Halls Ferry road and Route 140.

The first round will be Friday at 6:30 p.m., semifinals at 1:30 p.m. Saturday and finals at 6:30 p.m. Saturday.

Others in the tournament will be Northwest, St. Charles, St. Louis University High, Pattonville, River View East and Hazelwood.

This season, the Braves in dual meet competition have beaten St. Louis U. high freshmen and Northwest. They have lost to River View East and Cross Keys.

The favored team is River View East, but Coolidge Coach Bob Moske said, "We plan to take some first place trophies."

Hoarding of Silver Coins Not Justified

Hoarding of silver coins is widespread but pointless other than as a hobby, Joseph Weber Starkey, operator of a local coin shop and a member of the Madison Rotary club, told Rotarians at their weekly luncheon yesterday in the Madison memorial recreation center.

The amount of silver in some U. S. coins exceeds the designated value of the coin due to increases in the price of silver. However, melting of coins is illegal and subject to severe penalty, and those marketing silver are easily traced, the speaker said.

Kennedy half-dollars continue to be scarce because many people take them out of circulation, but the government will continue to mint them and they are unlikely to exceed their face value due to the huge number in existence, Starkey commented.

Principal transactions in silver dollars at present involve collectors and dealers. He was introduced at 25th wedding anniversary, he added.

Starkey displayed shells, bone and glass once used as money and said coins also have included beads, leather, nails, teeth, tacks, salt, tobacco, stones and tea. He was introduced by Richard Sues, vice president of the club.

Wayne Scamell led group singing and was honored on his birthday. A Valentine party tentatively set for next week was canceled.

Miss Young Bang Cho Wins First in Piano Contest

Miss Young Bang Cho of Seoul, Korea, now making her home with Mr. and Mrs. Donald Macdonald, 1728 Park Ave., was the first place winner in the high school division of the piano at the National Young Artists competition which ended this week in Odessa, Texas.

Sponsored by the Midland Odessa Symphony orchestra, the contest had two divisions, college and secondary levels, for instrumentalists and vocalists. In the instrumental category entrants performed a work in a large form written for solo instrument and orchestra.

Miss Cho will receive a cash award for her prize which will be presented to her on March 17-18 when she returns to Texas to perform as a soloist with the symphony orchestra.

The outstanding pianist is a special scholarship student of Ruth Slenczynska, Artistic Director at SIU-SW campus, and was chosen for entry from Southern Illinois University. She is a ninth grade student at Coolidge Junior high school.

Six music students at SIU-SW campus were accepted for the national competition and other than Miss Cho the only other winner was John Murphy of Minot, S.D., who placed his home in Granite City while attending SIU-SW. He received a second place award for piano in the college level.

He is also a student of Miss Slenczynska and will be an alternate for the March 17 appearance, in the event Miss Cho would be unable to attend.

Debating Continues

Nonn was persistent in calling for a motion for the contract award to Clines. Someone suggested dividing it between Clines and Petri's, but he said perhaps each alderman could decide for his own ward.

Then Parney interrupted to point out the council had advertised for bids to get a low figure.

Johnson remarked the poll workers should be given their choice of menu.

"You can't give them a choice," Morelson said. The bids are to supply all the meals."

Nonn continued, "When I made the motion last week for seeking bids, it specified meals. One of these is just for a sandwich. I said we would have a \$3.50 limit, and my intention was for two meals."

A motion to amend the motion of awarding the contract to Clines was made to give the polling place judges their choice was ruled out of order by Mayor Parney, but Johnson appealed for a legal opinion. In the council vote, only Nonn and Johnson favored the amendment.

In the vote on awarding the contract to Clines, only Nonn voted "aye."

Finally, there was the roll call vote to award the contract to Grand Cafe on its low bid. The count was 10-5.

In past city elections, the aldermen have bought meals for the polling place judges in most instances.

Citizens Group

council session, when Nonn proposed a \$16,000 salary for the office of mayor—the same as in Alton—and the recommendation was rejected. The council could not agree on a figure, and Nonn suggested the matter be turned over to a citizen group.

Named to the committee were Rev. Robert J. Baumann, pastor of St. Peter United Church of Christ, Arthur Griffin, business agent for Laborer's Local 387; E. A. Karandjoff, president of Granite City Trust Savings Bank; Paul Lichtenberger, president of the First Granite City National Bank; Carl Matias, area manager of Illinois Power Co., and C. E. Townsend, editor and publisher of the Press-Record.

Rev. Baumann served as chairman of the citizen group and presented the recommendations to the council Monday night at the start of the council session.

Upon hearing the recommendations, Nonn commented that he realized the council has "slipped a mickey" to the citizens group, but that he could now say politics had entered the picture. He called for the city attorney to prepare an ordinance with the new salaries for presentation at the Feb. 17 council session.

Ordinance on Hand

"Why wait?" Alderman Fry commented. "We have a salary ordinance all prepared and here it is, ready for the blanks to be filled in."

Nonn then remarked, "I still think the office of mayor of Granite City is worth more money."

A 20-minute discussion followed.

It was noted by Rev. Baumann, that Laborer's Business Representative Griffin declined to vote on the committee's recommendation since city employees who are members of the union will be entering negotiations with the city. A letter requesting the opening of contract talks was read to the council Monday night.

On that request, Alderman Bartosiak motioned for the negotiations to be handled by the old 1968-69 Street and Alley committee. It was pointed out that not all of the committee members in that fiscal year are still on the council, and the motion was rejected. Mayor Parney said he would name a special committee at the next council session to handle all contract negotiations.

Full-Time Questioned

In the debate over the mayor's salary, Bartosiak argued the action was coming too late, since the filing period for the mayor primary election was closed. He added that all three candidates were aware of the current salary when they filed, and that there are many people who feel the city does not need a full-time mayor.

Whitmer replied that the ordinance with blanks for amounts had been introduced over two months ago—well before the close of the filing period—but council members "just sat back and did nothing."

"We've always done this at the last minute," Basarich remarked. "The people are used to this type of government."

Johnson entered the discussion, remarking that the city's charter does not call for a full-time mayor.

"I don't see a need for a change," Bartosiak said. "I don't see we were interested in the job at \$10,500."

He asked Mayor Parney, "What is a full-time mayor?"

He pointed out the mayor had refused to meet with the council in special sessions on Saturdays and Sundays.

Mayor Gives Answer

Parney replied he would answer such questions at a special candidate forum which was conducted last night at the high school cafeteria by the Tri-Cities Chamber of Commerce.

At last night's forum, Parney said he had gone to the city hall on Saturdays and Sundays to attend special meetings, but that a quorum of aldermen could not appear so business could be transacted. "I just gave up on that idea," he added.

In continuing the salary discussion at Monday night's council session, Morelson said he could see no need to increase the pay at this time when the city was having financial problems and would be soon going into negotiations with city employee groups on salaries. "They're entitled to the same type of increases and they are required to have certain qualifications and must take examinations. No such qualifications are required for the office of mayor."

"You can even be a felon and hold the office," Morelson added.

Fry pointed out the increase granted an elected official has to cover a four-year term and no further increase can be granted during the four-year period.

By this time, City Atty. Scrogins had completed the pay increase ordinance, and Nonn called for suspension of rules for final adoption.

2227 Boys, 86 Units Here to Mark Scout Week Feb. 7-13

A "report to the Quad-Cities" today on the eve of Boy Scout Week, Feb. 7-13, showed 2227 scouts and over 1000 adult scouts active in the Uniwah (Quad-City) district.

There are 86 cub packs, troops and explorer posts, the largest number in history in the district. Special displays by units will highlight local observance of Scout Week.

"On behalf of the over six million members of the Boy Scouts of America and the more than 3200 boy and adult members in the Uniwah district of the Cahokia Mound Council, we are pleased to report that 1968 was an outstanding year of service to the boyhood of the nation and our community," District Chairman Keith Toby and Assistant District Executive Wilbur Irelan said in a joint statement.

"Nationally, the significant achievements of scouting were:

Eight-Year Plan Launched

"1. Adoption of a dynamic long-range plan known as Boypower '76, designed to bring the advantages of cub scouting, boy scouting and exploring to all boys, regardless of race, creed or economic status."

"2. Changes in all three scout programs to make them more relevant to the needs and concerns of today's youth."

A non-scout camping program that enabled over 25,000 disadvantaged boys to enjoy camping experiences at scout camps throughout the U.S.

383 Summer Campers

"Locally, membership increased considerably beyond the Boypower '76 goal and 383 Uniwah scouts attended Camp Uniwah, near Potosi, Mo., including 100 non-scouts and former non-scouts."

"This could not have been achieved if we had not received the personal support of local mayors, other city officials, other governmental officials, schools, churches and countless individuals and organizations."

"We are grateful and pledge to continue to serve the youth of this community," Toby and Irelan said. Uniwah is one of three districts in the Cahokia Mound Council, whose president is G. Rollin Henn and whose executive is Eugene Coo.

Proclamation By Mayors

WHEREAS, the Boy Scouts of America, the nation's largest youth organization, was founded Feb. 8, 1910, and chartered by Congress in 1916 for the purpose of promoting "the ability of boys to do things for themselves and others, to train them in scoutcraft, to teach them patriotism, courage, self-reliance and kindred virtues";

WHEREAS, since its founding 59 years ago, the Boy Scouts of America has given over 44 million boys unique training which has provided them with an appreciation of

interrupted to explain to a group of Boy Scouts in the audience the meaning of felon. "It's a bandit or robber. But while qualifications are not specified for the office of mayor, the people of Granite City make certain a qualified man is elected. They know their candidates," Basarich said.

On suspension of rules the vote was 10-5. For the pension were Whitmer, Boyd, Rutledge, Basarich, Nonn, Fry, Parney, Jarrett and Dawes. Opposed were Morelson, Bartosiak, Poulos, Green, Robertson and Johnson.

For first reading, the roll call vote was 10-5, with Bartosiak voting "aye." Alderman Dallas was absent. He had sent the council a letter saying he would be at work.

Optimists Start North-South Membership Bout

A North-South interclub battle to gain new members currently is being waged by Granite City Optimists who want to enlarge their membership roster and achieve the title of "Century Club" in the Optimist International rating scale.

Frank Rea, general chairman of the contest, said that two teams headed by E. E. Veihl (Yankes) and William Harris (Rebels) are divided into nine squads each. The two groups will vie for prizes during the membership race, which is slated to conclude March 1.

The winning team will be determined by a point system, ranging from ten points earned for each new member signed and paying six-month dues, plus five bonus points for new members who submit one year's dues in advance, to three points awarded for each prospect brought to the club's Feb. 20 luncheon meeting, at the Rose Bowl restaurant.

Frank's squad leaders include Jack Dempsey and Richard Ervay; Elmer Branding and Arthur Roseman; Robert Brive and Rev. Paul Surbey; Eugene Wood and Douglas Little; Dr. Leo Roman and Ed-

ward Stone; Vernon Tharp and Ted Eiderman; Milton Allen and Donald Z. Farrington; Wallace Wyman and Albert Michel; and Carl Rouch and E. E. Veihl.

Rebel squad leaders are Tony Mangi and Louie Passhoff; B. C. "Tip" O'Neill and John Stel-lacker; Jerry McDonald and John Solenberger; C. A. "Bud" Macmillan and Dr. Raymond Troyer; Raymond Henley and Earl Lee; Herman Mueller and Walter Hundley; Lester Thompson and Raymond Tom Jones; Anthony Michel and Chester Baker; and Leo Korzen and William Harris.

MORE ABOUT Levee District

900 from last year's \$203,600. These two items alone account for salary and labor wage increases totaling \$171,000 over last year's appropriation.

In budgeting for professional services during 1969, the levee board appropriation calls for \$13,000 for accounting fees, up from the 1968 budget of \$11,500, but sets up only \$600 for engineering fees instead of last year's \$31,000. The board left in the budget a regular \$6000 engineering fee but did not carry over a 1968 item of \$25,000 for consulting engineering fees.

A \$600 increase for legal fees also is included in the professional services category. The new figure is set at \$10,000, up from \$9,400 last year.

Other Changes Slight

Other salary items were changed only slightly or not at all. The new budget for administrative salaries is \$55,000, up \$3000 from 1968, while salaries in the engineering department are fixed at \$37,000 this year compared to \$33,000 for 1968. The total of \$30,000 for salaries of the police department is unchanged from last year.

The larger increases in wages for maintenance labor are divided among several of the larger levee district projects. Foremost among these is Project 11 which consists of eight separate levee district operations designated as 11-A through 11-H. Among these, Project 11-E which provides for maintenance and operation of the drainage control works and connecting Cahokia channel at Horseshoe Lake.

For this project the levee board has appropriated \$55,000 for maintenance labor and \$1000 for materials and supplies this year. Last year's figure was \$50,000 for labor and \$500 for supplies.

\$41,000 Increase
Appropriation for Project 17, comprising six separate maintenance projects in the East St. Louis area, is increased to \$70,000 from \$29,000 for maintenance labor. Other lesser increases also are provided for virtually all levee district work projects.

While the budget total for project costs in the new budget and appropriation is \$480,575, or \$28,820 less than the work project total of \$509,395 in the 1968 budget, it was from this listing that the \$150,000 capital improvements appropriation was eliminated this year.

Consequently, new appropriations for the separate work projects actually reflect an increase of \$121,070 over those of 1968.

The levee board's budget summary shows anticipated available funds of \$995,227 in the general fund during the 1969 year, with expenditures totaling \$1,021,250 leaving an anticipated deficit of \$26,023 at the end of the fiscal year. The levee district's fiscal year is the same as the calendar year, Jan. 1 through Dec. 31.

In the Municipal Retirement Fund, the district expects available funds of \$81,913 with expenses of \$55,000 and a year-end balance of \$26,913.

New appropriations for 1969 bond payments include \$78,000 for payment of principal and \$274,693 for payment of interest, a total bond cost outlay of \$1,062,693.

The appropriation for the principal payment is the same as that for 1968, but the interest payment is a reduction of \$26,519 from last year's \$301,212 interest payment. The bond fund this year will have total available funds of \$2,671,421, including balances in the district's 20 separate bond accounts. Total payments of \$1,069,693 will leave balances totaling \$1,611,727.

99% On Johnson
"Johnson will be back with us next season and knowing him, he'll report to training camp in good shape. I'm 99% sure that Charlie will start at quarterback for the Cardinals in 1969."

"Hart, physically speaking, has better capabilities than Johnson. He has that God-given talent like Sonny Jurgensen to get rid of the ball."

New addition to the Cardinals, John Gilliam, who runs 100 yards in 9.5 seconds—"I don't know whether we have a quarterback who can reach him, he moves fast."

Rookies—"Most NFL teams go to training camp pretty well set and the only way a rookie can break in, is to knock someone down hard and often."

Speaking of his wife of two years, DeMarco noted that she has progressed from an indifferent spectator at the beginning of "the only person who, after the game, tells me what I've done wrong, except the coach."

Answering a question, DeMarco said that Larry Wilson is the best all-around player on the Cardinals squad, and probably in the NFL.

He concluded his presentation with a game film of the Big Red-New Orleans contest, showing actions of specialty teams.

Rich; Assessor James Barton; Comptroller Robert Stevens; and Granite City Aldermen Samuel Whitmer, Walter Norn, R. E. Robertson, Earl Jarrett, Paul Rutledge, Clyde Boyd, Richard Fry, Edmund Bartosik and Roy Poulos, and Police Chief Ronald Viezer.

The six-foot, three-inch Cardinal center, noted for his quickness off the ball on running plays and his pass protection blocking, addressed the group in a free and easy style.

"It's not very glamorous being an offensive center. No one ever notices you until you make a mistake, such as hiking the ball over the kicker's head in a punting situation. Then 50,000 people yell 'Get that bum out of there.' That's your moment of fame."

"I firmly believe we should have had a championship team in St. Louis before now. The Cardinal management is a first class operation and regardless of any controversy about the Bidwell brothers, they have treated me kindly."

By comparison, DeMarco said, average salaries of the front line of the Los Angeles Rams per season run \$25,000 per man, while in the St. Louis front five average \$45,000 per player. "So you can see why I want to stay in St. Louis," he added.

The veteran lineman discussed the well-publicized dissection on the Cardinal team prior to the start of the 1968 season, involving a "certain amount of natural animosity" between southern-reared players and Negro team members.

"I think the AFL victory was the best thing that could have happened. It will improve conditions for the NFL-AFL merger in 1970 by showing that AFL teams have stepped up onto the same plane as the NFL."

Exhibition season—"I am not necessarily looking forward to the pre-season game in St. Louis this August with the Kansas City Chiefs. Believe me, this will be a blood game. The governor will be there to award silver chalice to the probably filled with blood."

1969 season—"The Cardinals will be a blend of experienced veterans and enthusiastic rookies. I think we are at the point where Green Bay was when they started their great reign over the NFL."

Praising the exploits of young quarterback Jim Hart, who stepped into the limelight when established quarterback Charlie Johnson entered military service, DeMarco commented—"I don't think I could have done it. This kid did one hell of a job, mentally and physically. All that responsibility was placed on a 22-year-old kid."

"Johnson will be back with us next season and knowing him, he'll report to training camp in good shape. I'm 99% sure that Charlie will start at quarterback for the Cardinals in 1969."

"Hart, physically speaking, has better capabilities than Johnson. He has that God-given talent like Sonny Jurgensen to get rid of the ball."

"Ace Sets the Pace" — Quality at Lower Prices

CONGRATULATIONS are offered Arnold Fleishman, newly-elected Associated Retailers and Civic Association president (second from right), by retiring president, John Bloodworth, at Tuesday's dinner meeting. Looking on are Herbert Schermer (left),

Arnold Fleishman New Retailers President

Arnold H. Fleishman, secretary-treasurer of Fleishman's Men's shop, was elected president of the Associated Retailers and Civic Association at the 63rd annual membership banquet Tuesday evening, in the Rose Bowl restaurant. He succeeds John Bloodworth, local real estate dealer, who has served in the association's top post, the past two years.

About 250 persons gathered for the annual dinner meeting. Principal speaker was Bob DeMarco, top rated center with the St. Louis Football Cardinals and a nine-year NFL veteran. Irvin Slate Jr. served as master-of-ceremonies for a fast-moving program, which included a financial statement by Fred R. Williams and a nominating committee report by Homer Huber, chairman.

Rev. Thomas Treese of Sacred Heart Catholic Church provided the invocation and benediction.

Elected by acclamation with Fleishman were Herbert Schermer, Schermer's Men's and Boy's shop, vice-president, Re-

tailoring Division; Anthony J. Zedolke, assistant vice-president, Granite City Trust and Savings Bank, vice-president, Credit Bureau; and Eugene Gutlin, Leaders Department store, secretary-treasurer.

Directors named were Maurice Rich, Morris A. Helman, Norman Hall, David Linder, Paul Niebur, Williams, Melvin Gillie, Bloodworth, Huber, Harvey Hieken, Ralph Morris and Dean Andrews.

Noting the fine crowd attending, Bloodworth expressed appreciation to members for assistance during his presidency. In a humorous manner, the retiring president was presented a suitcase and traveling clock, being told by incoming president Fleishman that the gifts were appropriate, as "during your two years in office, two or three businesses closed down and left town; a major fire occurred; two Republicans were elected in Madison county; and the Granite City Steel blast furnace blew up."

Slate reviewed the efforts of arrangement committee members, Schermer, Bloodworth, Williams, Rich and Fleishman, who served as chairman.

Special guests introduced included Mayor Donald Partney; Ponton Beach Mayor Thomas Stafoff; City treasurer E. R.

Council OK's State's Proposal to Widen Nameoki Road to Mitchell

A resolution declaring the city's interest in the widening and improvement of Nameoki road (Route 203) from Ponton road to Mitchell was authorized Monday night by Granite City council members.

The city was asked in a notice from the state highway department to adopt such a resolution, indicating the work would be started within a year. The intersection at Maryville road is to be realigned for improved approaches to the Maryville road crossing.

The roadway presently is a narrow and rough, heavily-traveled two-lane highway providing a link to Interstate 270 and one of the main thoroughfares between Granite City and major areas of Mitchell. It is to be a divided four-lane roadway.

A sample resolution, included with the state highway department request, was referred to City Atty. Scroggins, who is to prepare it in necessary form for the Feb. 17 meeting.

Waterman Ave. Project
Approved by the council was a resolution seeking \$140,000 motor fuel tax funds for improvement of Waterman avenue from Wabash avenue to Maryville road.

The resolution is to be forwarded to the state as soon as the city adopts an ordinance designating a no-parking zone along one side of the street, with the sides alternating each year.

The council was advised in a letter by Research Planning & Design Associates that the parking restriction would be the only way the state would approve a narrower, 29-foot street—instead of the usual 34-foot minimum—to have an estimated 100 to 120 trees along the residential street.

Alderman Johnson urged support of the change in width which was opposed by Alderman Fry, who said the city should try to avoid improvements narrowing streets that would cause congestion. He pointed out Waterman is one of the main east-west streets in that area.

Merits of alternate, one-side parking along narrow streets in the city were expounded by several other Aldermen, and vote was 12-4-3 favoring the improvement with a 29-foot wide asphalt pavement, curbs and related drainage. "It would take another lifetime to replace those trees," Johnson remarked. Opposed to the narrow street were Rutledge, Fry and Jarrett.

Approval was given a motion by Basarich to seek bids for curbs and gutters in the 1200 and 1300 blocks of Meridian street and the 1600 block of Maple street under the city's special improvement program.

Sewer Backlog
Considerable time was spent discussing a problem of sewage backup last week at the home of Mr. and Mrs. James Harper, 3337 Ash avenue. Harper complained there was a backup of four to six inches of sewage in his basement, even though the plug was in place. Damage to the basement furnishings and equipment was given at several thousand dollars.

Harper told council members the same thing had happened four years ago and he suffered the loss, while a neighbor sued the city and collected damages.

It was suggested he submit a list of his losses to the city attorney. Other Aldermen complained any settlement would start a "chain reaction." Alderman Parnley advised Harper to get a lawyer and sue the city.

When Harper pressed the council for a solution to the problem to prevent further backups, he received numerous explanations, and the council voted to send Street Supt. Warfield and the city's consulting engineer to study the problem. "Non-remarked," "We don't have an engineer. You're just fooling these people."

Warfield, who had explained the heavy rains had overflowed the old combined storm water and sanitary sewers in the city and they couldn't handle the flow from the Nameoki area, left the meeting momentarily when he was assigned the task of solving the problem.

He returned and pointed out that raising Nameoki area sanitary sewer manholes, including one near the Harpers' home would not be the answer. The raising had been suggested as a means to keep storm water out of the Nameoki area sanitary lines.

"Old Sewers Full"
Warfield pointed out the older sewer system was full on Feb. 5. "The lift stations were pumping, but you can't push anything more into sewer lines that are full, so the flow backs up and pushes out at the weakest point. Sewage was coming up out of the manhole at St. Clair and Nameoki road, and the Harpers' home is at the end of a line. Sewage was just forced up around the plug."

Granite City PRESS-RECORD
Page 12 Thurs., Feb. 6, 1969

Council members who voiced hand-me-down excuses. He added, "I think the city is liable, and we don't have an engineer to help us out."

Poules and Bartosik said they had received complaints of flooded basements in their wards—the Third and Second. Bartosik said the downtown storm sewers should be completed in July to ease the problem.

Council members voted to send the street superintendent and consulting engineer to the Ash avenue site. Later during the meeting a means was found to transfer sales tax funds to the street department continuing fund to provide funds for engineering that had been eliminated from the budget last summer.

Emergency Engineering
At the request of the council, City Atty. Scroggins had prepared an opinion, submitted Monday night, pointing out a resolution adopted by the council transferring \$4000 from sales tax to the non-existent engineering fund could not be done unless the council reapportioned the resolution, stating an emergency had arisen that was unknown at the time of the budget adoption. Mayor Parney had vetoed the transfer resolution, and the council last week overrode his veto, but the opinion was requested.

The council members argued with Scroggins for nearly 30 minutes trying to persuade him to prepare the resolution declaring the need for special street improvement projects as emergencies. It was noted the projects were listed in the budget. Mayor Parney had included an engineering item in the budget, but the council took it out because they did not like his selection of an engineer on 30-day appointments.

No one mentioned that a portion of the \$4000 would be needed to pay Research Planning & Design Associates the \$300 a month retained as consulting engineers back to the start of the fiscal year on May 1.

Most persistent for declaring emergencies for the planned street work were Aldermen seeking re-election—Bartosik for resurfacing sections of Washington avenue, Basarich for curbs along Maple street and Meridian street and several Aldermen for resurfacing 18th street from Cleveland Blvd. to the railroad tracks.

Scroggins re-emphasized the council's need to declare an emergency that was unknown when the budget was adopted. The council voted 11-4-4 to declare an emergency. Voting for preparation of the emergency resolution were Moerlein, Bartosik, Boyd, Poulos, Green, Basarich, Norn, Parnley, Robertson, Dawes and Johnson. Opposed were Whitmer, Rutledge, Fry and Jarrett. Dallas was absent.

That was the second item of business for the council, ending at 8:45. It was at 10:30 that Norn suggested the transfer be made to the street department contingent fund to avoid the emergency "lie."

In other action, the council referred to Scroggins a bill submitted by Bryan Waggoner who was driving a 1963 auto that was damaged when it went into an unmarked, water-filled excavation on Frickley's lane last Sept. 18. He said the damage was \$200.

The city was advised by Assistant City Atty. Harry Hartman that a release had been signed by Mrs. Olga Varley to accept \$83 for medical care and replacement of eyeglasses required after she fell in a sidewalk hole in the 1900 block of

Edison avenue. Hartman said the hole was created by East St. Louis & Interurban Water Co. and that reimbursement should be sought. The council instructed Scroggins to submit a request to the water company.

Another Stop Sign
Scroggins was asked to prepare an ordinance to place stop signs on Meridian street at 14th street and a yield sign on Willow avenue at Emert avenue.

Permission was granted for a series of political parades in an expense allowance of \$220.

advance of next Tuesday's mayor primary—for Mayor Parney on Saturday and next Monday and for Waldo Ernie Schellenger yesterday and Saturday.

Approved by the council was a \$145 bid for a file cabinet for the comptroller's office to handle address tags for billing North Granite residents for sanitary sewer fees.

The council authorized Civil Defense Director Victor Koenig to attend a national CD meeting in Washington March 9-12 on a Washington allowance of \$220.

"ASK OUR MEAT SPECIALISTS!"

I was talking to Claude Miller (our vice-president in charge of Meat Operations) the other day about what I should tell "YOU" about his meat department. . . . I never did think he would stop talking. . . . He did come up with something I think might interest "YOU". . . . He said he would like for "YOU" to start asking his "Meat Specialists" (better known as butchers) to help you pick out of meat when "YOU'RE" going to have a special dinner or party. . . . these guys can really be helpful at these times. . . . they can tell you how much, what kind, when to cook it, etc. and all "YOU" have to do is just ring the bell at the meat case. . . . "YOU'LL BE GLAD YOU DID!"

SOCIETY

Travel Program

For Sorority

Chi Epsilon Chi chapter of Beta Sigma Phi was entertained last night in the home of an Edwardsville member, Mrs. Lucille Harper.

Mrs. Norma Rains reported on a social held at the Officers Club at the Depot, and arrangements were completed for attendance at a fashion show in St. Louis Feb. 12.

The next meeting is to be held in the home of Mrs. Betty Ehling, 3805 Franklin avenue, on Feb. 26.

Mrs. Marcella Ashford presided at last night's meeting, and Mrs. Jane Laule presented the program on southern Europe, which included highlights of a trip to Italy, Switzerland and France. Mrs. Ehling was awarded the "vacation" prize, and the hostess gift went to Mrs. Ariene Haldeman.

The remainder of the evening was spent assembling roses out of tissue paper.

A dessert course was served to Mesdames Imogene Forster, Lora Mae Lombardi, Beatrice Brackett, Norma Rains, Evelyn Tolliver and a special guest, Mrs. Pearl Williams, mother of the hostess.

After the meeting, a Valentine exchange was held.

B&PW Honors

Mrs. Alford

A business meeting of the Granite City Business and Professional Women's Club was held last night at the Elk's Club.

Mrs. Emylee Alford, who sponsored five new members during the year, was presented with a Gold Card award, and a gold key for her efforts in raising funds to be earmarked for a scholarship for a local student.

A "top hat" award to a deserving citizen will be announced at a Business Leaders' meet Feb. 19 at the Engineer Depot. The winner will be entered in the Top Hat State contest. The B&PW now has 102 active members.

St. Elizabeth Hospital is in need of volunteers for the coffee shop when it reopens in about six weeks. It was announced, and the club members were asked to help at any time convenient to them.

Valentine Study

Hold 'Coffee'

The Officers' Wives Club of the Army Depot held a coffee Wednesday, combined with a regular monthly business meeting in the LaGranda Room of the Officers Club.

Mrs. Thomas Kerr, president, was in charge and coffee, rolls and coffee cake were served. The February hostesses were Mrs. Edward McKennie and Mrs. Stephen Haynes.

Plans were made to hold a bake sale March 4 in the post cafeteria, and Mrs. Kerr announced tickets were now available for a St. Louis Fashion Show on Feb. 12. A bus will leave the Depot at 7:15 p.m. for the show.

A luncheon meeting will be held Feb. 19 at the club.

Mrs. Zeffoff

Is Hostess

The home of Mrs. Pat Zeffoff, 3008 Nameoki road, was the place of meeting last night for Theta Theta Chapter of Beta Sigma sorority.

President Julie Gates called the group to order and plans were made to attend a Fair Fashion show Feb. 16.

Refreshments were served to Miss Donna Wilfred, Mrs. Donna Sprankle, Mrs. Donna Spangenberg, Mrs. Julie Gates, Mrs. Carol Beeson, Mrs. Barbara Dickerson, Mrs. Ellen Cain, Mrs. Linda Pickett, Mrs. Mary Baker, Mrs. Sharon Rush, Mrs. Wanda Roussau and Mrs. Claudette Spangenberg.

The next meeting will be with Mrs. Rousseau.

VALENTINE MEETING OF BIBLE STUDY GROUP

The Ruth Ford Bible Study group met Wednesday evening in the home of Mrs. Naomi Burnett, 2434 Illinois avenue. Mrs. Lena Stephens gave a call to prayer for missionaries and Alene Phillips presented a prayer calendar.

Mrs. Naomi Rongey was in charge of the program and others taking part were Dorothy Barnes, Evelyn Smith, Alene Reagan and Louise Mitchell.

After a business session, the hostess served refreshments from a table decorated in a Valentine theme.

Her fiancé attended Granite City schools and served two years in the U. S. Army, 18 months of which were in Vietnam. He is employed in Hazelwood, Mo.

Alpha Xi Chapter Plans Events

Alpha Xi chapter of Epistol Sigma Alpha held a monthly meeting Tuesday evening in the home of Mrs. Betty Bucatch, 2676 Madison avenue.

Jerry Mendez, president, gave the opening ritual. Plans were completed for a "love-in" party at the Flaming Pit in Edwardsville for members and their guests and a silent auction was held with articles made by the members.

A Valentine theme was carried out, and refreshments were served by the hostesses. All present received candy hearts as favors.

The latter part of the evening was spent making Valentine favors for the pediatrics ward at St. Elizabeth Hospital.

PARTICULARS CLUB DISCUSSES FUNDS, NAME

The Particulars club met at the home of the president, Mrs. Diane Hill, 4415 Wabash avenue, Tuesday evening for its February meeting. The group discussed tentative plans for fund-raising summer activities, with proceeds going to the annual Red Cross "ditty bag" project to aid servicemen overseas.

Mrs. Hill presided over a business session and it was decided to change the name of the organization. Each member will submit a name suggestion at the next meeting. An arts and crafts workshop was conducted to decorate eggs to be sold at a bake sale in April. Prize for the evening was won by Mrs. Susan Nolan. During a social hour, games were played and prizes were awarded to winners. Refreshments were served by the hostess to the prize winners, a new member, Mrs. Jeannie Jordan, and Mesdames LaVerne Wimberly, Mayberr Moore, Darlene Scaggs, Darlene Matheny and Judy Rainwater.

The club has been invited to the home of Mrs. Wimberly, 4512 Walter avenue, March 4.

BOYD for MAYOR

MR. AND MRS. WILLIAM ETHEN. The bride is the former Chyrrle Howard, a daughter of Mr. and Mrs. William Howard, 3202 Wilshire drive. The wedding took place recently at the home of the bride. The bridegroom's parents are Mr. and Mrs. W. P. Ethen of Forrest Lake, Minn.

GIRL SCOUTS RECEIVE AWARDS AT WASHINGTON

Junior Girl Scout Troop 734, sponsored by Washington PTA, held a court of awards at the school Monday under the leadership of Mrs. Margaret Barton and Mrs. Venka Ambuehl and plans were completed for a valentine party Feb. 10.

The opening ceremony was by the Cherokee patrol, and the troop discussed continued work on the active citizen badge. At the awards presentation, the troop received its needlecraft badge and decided on the oak as the troop crest. The following were presented with the leader gold rope: Sherrel Barton, leader of the Cherokee, Kathy Ambuehl of the Apache patrol and Kimberly Gale of the Bluejays.

A discussion was held on the Feb. 23 "thinking day" program and the girls were chosen to represent the troop in the Neighborhood Two Yugoslavian dance, dressed in native costumes.

The meeting ended with a friendship circle and singing of "Taps." Others present were Mary Casey, Darlene Conroy, Bonita Davis, Sheila Diehl, Venus Derr, Janet Gafford, Sonia McIntyre, Rhonda Meyers, Diane and Barbara Pickett, Vikki Sexton, Mary Townsend, Christine Webb, Laura Wilson and Carol Whitford.

PROUD FAMILY. Graduation of two young sons and re-enlistment of a third took retired M/Sgt. Granite City and his family to Fort Leonard, where they were guests of Maj. Gen. Andrew P. Rollins Jr., post commander and the father's former CO. From left to right—Miss

'Military' Leonard Family Attends Double Graduation at Ft. Wood

A local service-minded family recently was on hand at Fort Leonard Wood, Mo., to witness the graduation of two sons from the Second Basic Combat Training Brigade and the re-enlistment of a third after a one-year absence from Army duty.

Retired Army M/Sgt. Edward Leonard, a native of Venice, and his wife, the former Anna Miller of Granite City, traveled to Fort Leonard Wood for the graduation of sons, Pvt. William Leonard, 17, and Chris Leonard, 19, following basic training, and the re-entry into the Army of Specialist Four Johnny Johnson, Mrs. Leonard's son by a previous marriage.

William, who was married at Christmas time to the former Sheryl Hankins of Granite City, has since been assigned to the Artillery School, Fort Knox, Ky., while Chris was sent to Fort Sill, Okla., and the Army's Artillery Guided Missile Training School.

Johnny, 23, was married two years ago to the former Pamela Byrd of Granite City. He completed an initial three-year

Anna Leonard, a daughter; SP4 Johnny Johnson, the Leonard's oldest son; Mr. and Mrs. Leonard; Gene Rollins; Pvt. William Leonard and wife, Sheryl; and Pvt. Chris Leonard. A fourth son, CSSN Gary L. Leonard, is serving with the U. S. Navy in Vietnam.

were guests of Maj. Gen. Andrew P. Rollins Jr., post commander and the father's former CO. From left to right—Miss Anna Leonard, a daughter; SP4 Johnny Johnson, the Leonard's oldest son; Mr. and Mrs. Leonard; Gene Rollins; Pvt. William Leonard and wife, Sheryl; and Pvt. Chris Leonard. A fourth son, CSSN Gary L. Leonard, is serving with the U. S. Navy in Vietnam.

At the Army service, including 24 months in Germany, and has been employed for the past 12 months at Olin Matheson Co. After re-enlistment, he was assigned to drill instructor training at Fort Leonard Wood where he is to report Feb. 14.

Missing from the family gathering at the Missouri military base was CSSN Gary L. Leonard, 21, currently stationed with the U. S. Navy at Cam Ranh Bay, Vietnam. A three-year veteran of Navy service, Gary served in Vietnam during 1967, returned overseas in late February and has remained at an on-shore station at Cam Ranh Bay since that time.

The father of the four servicemen was very much at home in the military atmosphere of Leonard Wood, where he was stationed some years ago. Leonard retired as a master sergeant in 1963 after 22 years of service.

During the graduation ceremonies, members of the family drew J. Rollins Jr., post commander, with whom Leonard had served during the general officer held the rank of major nearly 15 years ago. Both men were with the Big Red One Infantry Division at Fort Riley, Kans.

Leonard and his wife resided at various Army installations during their marriage, including Japan and Hawaii, but decided to return to the Quad-Cities following retirement.

The ex-serviceman is now employed as a real estate salesman with the Anderson Agency, 2014 Namsford road.

5 Hospital Candystripers Honored for Long Service

Mrs. Louise Sedlack was introduced and welcomed as the new volunteer director. Mrs. Ireland Argelan, auxiliary volunteer chairman also attended careers.

Volunteer Candystripers at St. Elizabeth Hospital were presented with certificates in appreciation of their hours donated to the hospital at a general re-orientation and education meeting held at the Tri-Cor building, it was announced Wednesday.

Candystripers honored were Marion Sullivan, with 700 hours; Marilyn Shane, 1300 hours; Sharon Leleniewski, 800 hours; Charles Jackson, 800 hours and Mike Ridge with 1100 hours.

Mrs. Mariea Danilish, director of nursing services, and Sister Mary Thomas, hospital administrator, made the presentations.

The meeting was conducted by Mrs. Catherine Piel, volunteer director, after which Mrs. Daniels gave a talk on nursing.

PRE-TEEN RINK PARTY
Mrs. Edith Evans, leader and advisor of the Pre-Teen club of Kirkpatrick, will be sponsoring a skating party for the members at Stoppok's roller rink from 7 to 9 o'clock tonight. Adults may accompany their youngsters.

The group will assemble at the rink. Those who are transporting a vehicle may contact Mrs. Evans at Apt. 4101. Assisting the advisor are members of the club: Bonnie Gibbs and Mrs. Darlene Harper.

RETURN TO UNIVERSITY
Gregory Gallas departed Monday evening for his home in College Park, Md., after spending a ten-day semester break in Granite City visiting friends and relatives. While here, he stayed at the home of his grandparents, Mr. and Mrs. George Gallas Jr., 2804 Warren avenue, and with his uncle and aunt, Mr. and Mrs. George Gallas Jr., 2918 Marshall avenue. He also visited his grandmother, Mrs. Vera Koestner of Belleisle, and other relatives there.

Greg, the son of former residents, Mr. and Mrs. Peter Gallas, is a student at Maryland University, where he is majoring in chemistry and a pre-dental course.

He attended Sacred Heart parochial school, Assumption high school and Southern Illinois before moving to Maryland with his family last June.

ANNOUNCE DAUGHTER
Mr. and Mrs. Joseph Hans, Collinsville, formerly of Granite City, are announcing the birth of their first child, a daughter, Sheila Rae, at St. Elizabeth Hospital Jan. 31. The infant weighed five pounds, 15 ounces. The mother is the former Vickie Hammer.

Paternal grandfather is Mrs. Vera Hans, 2314 East 25th street, and maternal grandfather are Mr. and Mrs. Howard Hammer of Mount Vernon, Ill.

SCOUTS EMBROIDERING
Junior Girl Scout Troop 704 of the Webster PTA met at the school Monday with the leader, Mrs. Mae Lee, assisted by Mrs. Lois Chapin. Elizabeth Griffin and Cadette Scout Karen Lee of Troop 231. The Butterfly patrol led the opening ceremony, with the scouts repeating the pledge of allegiance and promise and singing "America."

Mrs. Lee reminded the girls of the advance cookie sale beginning at 4 p.m. tomorrow. Orders will be taken through Feb. 17.

Prizes were awarded to several scouts for notebooks they prepared on the history of Granite City and Illinois. First were Susan and Vickie Welty, second Tammy DePew and third, Karol Lee. Judges were Pat Harrington, Alexis Hord, Jack, and Rees and her daughter, Jackie.

Sixth grade members are to meet at Mrs. Lee's home Saturday to continue work on the sewing badge.

The remainder of the meeting was spent embroidering. The group then formed a friendship circle and sang "Taps" in unison.

Attending were Mary Kay Chapline, Kay and Tammy Coberly, Tammy DePew, Denise Dickerson, Sharon Emrine, Lisa English, Carole Griffin, Pat Harrington, Alexis Hord, Karol Lee, Vicki Little, Cindy Myatt, Linda Pool, Leisa Tervet, Karen Tolan, Susan and Vickie Welty, Patty York and guests, Jackie Chapline and Kimberly Griffin.

Mrs. Virginia Rainwater, president of the Women's Society of Christian Service of Good Shepherd United Methodist Church, has announced that the society will sponsor a bake sale Friday at the Bellemeor Tri-City Grocery store through 2:30 p.m.

CANDYSTRIPEERS HONORED for completing 300 to 1300 volunteer hours at St. Elizabeth Hospital with certificates presented recently at the Tri-Cor building.

Left to right, seated, are—Mrs. Catherine Piel, volunteer director; Mrs. Irene Argelan, auxiliary volunteer chairman; Mrs. Louise Sedlack, new volunteer director. Standing are—Charles Jackson, Marion Sullivan, Marilyn Shane, Sharon Leleniewski and Mike Ridge.

HONOR MRS. JANSEN
A weekly meeting of the Glenview Taps club was held Tuesday afternoon in the home of the president, Mrs. Shirley Jansen, 2436 Terminal avenue, and the club honored Mrs. Jansen as "queen for the day."

The group repeated the Taps pledge in unison. Weights were recorded and the president read an invitation to the anniversary dinner in March of the Naughty Nippers Taps club in East St. Louis.

The ladies discussed a survey being conducted by the national organization, and a remainder of the time was spent at an individual handicraft session.

Coffee was served by the hostesses to Mrs. Billie Bagel, Mrs. Mary Gibbs, Mrs. Lucille Pierce and Mrs. Billie Schuler. Mrs. June Fritz had attended earlier.

The next meeting will be a "game week" at the home of Mrs. Jansen.

BLESSED EVENT SHOWER
A blessed event shower was held Monday evening at the Trinity Tabernacle, 2001 Sixth street, in honor of Mrs. Marian Arnold.

Hostesses were aunts and sisters-in-law, Mrs. Betty Van Gilder, Mrs. Modena Dinsley, Mrs. Gladys Ray, Mrs. Wanda Arnold and Mrs. Ada Great-house.

Decorations were in blue and pink, and an inscribed cake decorated in white and blue served as the centerpiece. The gift table carried out the same color theme.

HARRIS TROOP MEETS

Brownie Troop 73 met with the leader, Mrs. Thelma Stockton, Monday at Harris school. The girls opened the meeting with the pledge of allegiance to the flag, "America," the Brownie promise and Brownie smile song.

The leader spoke on "Thinking Day," which they will attend this month. Games were played and the meeting closed with "Taps" and the tunnel song.

Responding to roll call were Mary Kay Christ, Lisa Ingram, Susan Schaffner, Sherri Grzywa, Renee Hakkarinen, Rob in Hakkarinen, Malinda Barnhart, Mary Ann Affeldt, Dawn Ray, Debbie Pruitt, Elvina Winckler, Cindy Roberson, Tammy Boyer, Jackie Almsbury, Theresa Boyer, Dawn Roberson and Rebecca Narvaez.

PLAN FOR DINNER

AT CHURCH FEB. 22
Peppy class members of the First United Presbyterian Church met Monday evening in the home of Mrs. Daisy Adams, 1618 Second street. The monthly meeting was opened by the president, Mrs. Betty Meyer, with the Lord's prayer in union.

Miss Irene Hacklett gave the devotion, "Valentine's Day." Plans were completed for a spaghetti dinner and bazaar at the church, with tickets sold by members and also sold at the door Feb. 22.

The hostess served refreshments and games were played, with prizes awarded. Taking part were Mrs. Helen Christ, Mrs. Rose Darling, Mrs. Mildred Humphreys, Mrs. Dorothy Loerch, Mrs. Clara Lux, Mrs. Nora McCoid, Mrs. Joyce Walker, Miss Opal McFarland, Mrs. Gladys Zentgraf and Miss Hackett. Mrs. Humphreys will host the next meeting in her home, 2407 Grand avenue, March 3.

VALENTINE THEME AT CLUB MEETING

A Valentine theme was carried out in table appointments used in the home of Mrs. Helen Thiele, 1508 St. Clair avenue, Tuesday as her daughter, Mrs. Marlene Serrin, entertained members of the Jolly Matrons club.

One table was adorned with a birthday cake and table appointments in a birthday theme as the birthday of Mrs. Margaret Grams was observed. She received gifts, cards and a special gift from her secret pal. Lunch was served by the hostess to Mrs. Judy Modrusic, Mrs. Barbara Wood, Mrs. Grams, Mrs. Anna Mae Murphy, Mrs. Lottie Ostroff, Mrs. Margaret Presnell and Mrs. Thiele.

Games were played afterward, with Mrs. Modrusic, Mrs. Wood and Mrs. Grams excelling. Mrs. Modrusic will entertain the group at the home of her mother at 2034 Thirteenth street in two weeks. The birthday of Mrs. Thiele will be observed at that time.

Valentine gifts were exchanged by those attending.

SHIP SHAPE MEETING

Ship Shape club members met Tuesday evening at Schermer's civic center with Mrs. Yvonne Passig, president, presiding. Take Off Pounds pledge and the pledge of allegiance were given in union. Weights were recorded.

Mrs. Marie Bryant was crowned queen of the month and Mrs. Shirley Kingsley queen of the week. Mrs. Bryant and Mrs. Allen were appointed to be weight recorders. Mrs. Passig, Mrs. Jackie Gattung, Mrs. Allen and Mrs. Bryant were named to attend Area Recognition Day at Peoria in March.

Others present were Mrs. Lorraine Grenaud, Mrs. Patricia Lee, Mrs. Johanna Collett, Mrs. Pearl Kingsley, Mrs. Helen Townes, Mrs. Hazel Trotts, Mrs. Juanita Herrington, Mrs. Phyllis Johnson, Mrs. Shirley Kingsley, Mrs. Lois Hanson, Mrs. Nancy Walsh and a new member, Mrs. Geneva Hill, and a visitor, Mrs. Maudie Kennerly.

HONORED AT SHOWER

Mrs. James Gietz was honored with a pink and blue shower Sunday afternoon in the home of her mother, Mrs. Harry Sherby, 1919 Collinsville avenue, Madison, given by Mrs. Sherby and Mrs. Deborah Bradshaw.

The home was appropriately decorated in pink and blue. Gifts were placed on a decorated table.

Games were played and prizes were awarded to each winner. Refreshments were served to Mrs. Ann Gietz, Mrs. Katie Kozole, Mrs. Velma Milton, Mrs. Hazel Martin and granddaughters, Nancy and Mary Martin, Mrs. Mary Haw-

thorn, Mrs. Mary Emma Sherby, Mrs. Julia Lemich, Mrs. Kay Prusak and Mrs. Sue Warren.

PAST NOBLE GRAND OFFICERS INSTALLED

Mrs. Louise Eberholdt was hostess to the Past Noble Grand club of the Delray 7th Rebekeah lodge in her home on Carlson avenue Tuesday evening.

Mrs. Lucille Veach, president, presided over the meeting, which opened with the pledge of allegiance to the flag and the Lord's prayer in union.

Mrs. Edna Foster installed as officers to serve for the year

Mrs. Veach, president; Mrs. Erma Graves, vice-president; Mrs. Thelma Stockton, secretary-treasurer; and Mrs. Ruth Hannebrink, reporter.

Mrs. Hannebrink noted that the Past Noble Grand club was organized in 1947, at which time Mrs. Connole was president and Mrs. Hannebrink was secretary-treasurer. The group reviewed club activities and service by various members through the years.

The hostess served refreshments to those mentioned and Miss Margaret Brown, Mrs. Lillian Holtzschner, Mrs. Althea Gray, Mrs. Minnie Perry, Mrs.

Leora Rogers, Mrs. Geraldine Brooks, Mrs. Dorothy Gregory, Mrs. Chloe Maxon, Mrs. Naomi James, Mrs. Verna Willman, Mrs. Leo Mae Stockton and Mrs. Connole.

Mrs. Verna Willman will entertain in her home March 4, with Mrs. Holtzschner as co-hostess.

HONOR MRS. ZARZESKI
Mrs. Lorraine Gonterman was hostess to the Social Six Canasta club in her home, 3848 Lake street, Tuesday.

Games were played, with Miss Teresa Rhoads, Mrs. Helen Ku-

back and Mrs. Nellie Zarzeski winning prizes. Others playing were Mrs. Julia Voloski, Mrs. Sophie Green and the hostess. Lunch was served at a late hour by the hostess. Mrs. Zarzeski was honored on her birthday with cards and gifts, and a special gift from her secret pal.

The group will have dinner out and attend the American theatre March 4.

National Merit Scholarship Exam Date Set

Granite City senior high school students who expect to complete their secondary school requirements and to enter college in 1970 can register now to participate in the 1969-70 National Merit Scholarship program, Principal L. C. McCauley announced today.

Registration is now under way in the Guidance Office, Room 105, and will continue before and after school to Feb. 13. The test fee of \$2.25 is payable when registering. The test will be given at the school at 9 a.m. Saturday, Feb. 15.

When the NMSQT scores are reported, each participating student will receive a handbook to help him evaluate his scores and compare his performance with that of other high school students across the country. The handbook also contains information about choosing a college and financing college education. The handbook and other interpretive materials are furnished as a part of reporting test results.

The highest scoring students in each state will be named semi-finalists and will be eligible for Merit Scholarship consideration. In addition to the National Merit Scholarships financed by NMSC, more than 370 business corporations, foundations, colleges, professional associations, unions, trusts, other organizations, and individuals offer scholarships through the Merit program. About 18,750 students have won Merit Scholarships in the thirteen Merit programs to date.

71 Groups Organized At SIU-SW Campus

Among 10,300 college students at Southern Illinois University-Southwestern campus from virtually every state in the union, one might expect that a wide range of special interests would cover any subject imaginable—and they almost do.

There are 71 special interest groups and organizations at the campus and the list is growing. Among them are the Student Activities Office, which is responsible for scheduling meeting rooms, maintaining up-to-date files on all groups, and reviewing and approving new applications for officially recognized organizations.

These 71 organizations and countless other special interest groups are guided by the student activities office, which is responsible for scheduling meeting rooms, maintaining up-to-date files on all groups, and reviewing and approving new applications for officially recognized organizations.

Coffee at University Set by Slavic Friends

Slavic and East European Friends of Southern Illinois University-Southwestern campus will hold a membership coffee Sunday in Lovejoy auditorium. The coffee, beginning at 2 p.m., is open to all residents of the St. Louis area with Slavic or East European backgrounds or who have an interest in the area.

The Friends group has been organized to help preserve the cultures of the various East European countries for future generations. The group hopes to assist the university to acquire historical items and collections of books and music written in East European languages.

John Spiller of St. Louis is the president of the Friends group.

Robert Butler Receives MA Degree at Iowa U.

Robert Butler Jr., 2301 Lynch avenue, was among 767 candidates at the University of Iowa, Iowa City, who received degrees during recent commencement exercises at the U. of I. fieldhouse.

The local graduate student received a master's degree in speech and dramatic art, conferred upon the candidate by Iowa President Howard R. Bowen. Seventy-two doctor of philosophy degrees and 489 masters degrees were among those awarded.

BRUCE BUTTREY

Buttrey, Moore Win Ping Pong Tournament

Bruce Buttrey won the Roca Club's singles ping-pong tournament and shared the title in the doubles event with Tim Moore Sunday at homes of club sweethearts. Twenty-six members and four sweethearts participated.

Buttrey defeated Curt Kuter in the finals of the singles event and teamed with Moore to win the doubles championship from Mike Loftus and Mark Rigby. Buttrey and Moore were presented trophies by Tom Cardwell, tournament chairman, and Debbie Seebold, winter sweetheart.

The Roca Raiders basketball team continued a three-game winning streak by defeating the St. Elizabeth CYO 52-40. Scoring for the Raiders were Rick Cardwell with 20 points, Mark Rigby 12, Tom Rushing and Buttrey, five each, Tom Mitchell three, Tom Loman and Harry Diak two each and Dave Brewer one. The Raiders play the J&J Speedshop this week at Prather junior high school.

SIU Winter Enrollment At Record of 30,788

A record winter quarter enrollment of 30,788 students for two campuses has been announced by Southern Illinois University.

The total is an increase of 392 over the 1968 winter quarter. It is down only 1125 from the all-time SIU high of 31,913 recorded at the start of school last fall.

By campus, the breakdown shows 20,857 students at Carbondale and 9831 at the Southwestern campus. The Southwestern figure is a jump of more than 21% over the last winter quarter.

A total of 4393 graduate students are enrolled at the two campuses, nine per cent more than in the same period last year.

Print Exhibit to Open Friday on Local Campus

A print exhibition by Sidney Chafetz will be on display at Southern Illinois University-Southwestern campus from Friday through Feb. 28 in the lobby of the Communications building.

Professor in Ohio State University's school of art, Chafetz is widely known for his creative work. Born in Providence, R. I., he received the bachelor of fine arts degree from the Rhode Island School of Design. He also studied at L'Ecole Americaine des Beaux-Arts in Fontainebleau, France, and at L'Academie Julian in Paris.

Stamp to be Issued To Honor Maj. Powell

The U. S. Department of the Interior announced Monday that a commemorative stamp will be issued this year to honor Major Wesley Powell in recognition of the 100th anniversary of the Illinois State University professor's pioneer exploration of the Colorado river.

Powell was a professor of geology and curator of the Illinois Natural History Museum at ISU, Normal, when he made his famous explorations in the 1860s.

DEMOLAY OFFICERS, ADVISORS, at a Southern Illinois district meeting this week in Granite City. They are, left to right, first row—John Pratt, Whitehall, district junior counselor; Eric Denaree, Beardstown, district master counselor; Charles Hileman, Granite City, district senior counselor; and G. Wilbur Belle, Chandler, supreme council executive officer; and second row—Howard Lougeay, Belleville, advisor; Stan Meister, Alton, state master counselor; and Ed Bieser, advisor.

TROPHY PRESENTED to Keith Danner, master counselor of the local James Stuart chapter, Order of DeMolay, by Howard Lougeay, district advisor, in behalf of the local chapter for having the most candidates from southern Illinois at a 50th anniversary observance of the order recently in Bloomington.

Initiated into Frat

Student Ratings by Instructors Studied

Student ratings of instructors are more than brief exercises at the end of college courses, according to Erwin H. Brinkmann.

He is chairman of the psychology and psychological services faculty at Southern Illinois University-Southwestern campus.

Now doing research on student evaluation of instruction, he says that before effective evaluation can be determined, one has to learn a lot about the student.

"With the increased use of program learning and electronic teaching aids, it is important to know what students react most favorably to what kinds of teaching," Brinkmann says.

Many different factors have to be considered, Brinkmann points out that one key variable is which students react and learn better from factual instruction and which are more responsive to concepts.

Another concern is whether or not a student has already made up his mind on the effectiveness of instruction before he ever takes the course.

"There are many factors involved," commented Brinkmann, "and we hope to find out which ones are most important to the students' reactions."

100 Attend DeMolays District Meet Here

More than 100 DeMolays and advisors attended the district meeting of the Southern Illinois DeMolay Association Sunday afternoon at the Masonic temple.

Keith Danner, master counselor of the local James Stuart chapter, welcomed the group and turned the meeting over to Ron Knecht of Belleville, district master counselor.

Danner was presented a trophy in behalf of the chapter from Howard Lougeay, district advisor, for having the most candidates from the chapter at Bloomington for the observance of the 50th anniversary of DeMolay held by the Scottish Rite Bodies of Illinois in January.

Ed Bieser, district advisor, spoke on the international conference of DeMolay to be held in St. Louis, Mo.

Among guests were Stan Meister of Alton, state master counselor; Mike Ansell of Jerseyville, past district master counselor; Herb McMean of Carbondale, past district master counselor; and G. Wilbur Belle of Chandler, supreme council executive officer.

The next jurisdictional meeting will be held in March at Jerseyville.

College Credit Program for HS Juniors at ISU

Illinois State University, Normal, this week announced that the dates for its 1969 College Credit Program for high school juniors will be June 16 to Aug. 8. Deadline for submitting applications is May 9, with forms available from Dr. Theodore Sands, associate dean for special programs at Illinois State University, Normal, Ill. 61761.

The program is being offered to enable high ability high school juniors to participate in a full-fledged college experience, earn college credits and investigate their strengths and weaknesses in terms of college preparation.

Those eligible are superior high school students who will have completed their junior year, but who are not yet high school graduates. Applicants should rank in the upper ten per cent of their class at the time of application. Students will be enrolled in regular college classes, with a maximum of six hours. Earned credits may be later used at ISU, or transferred to another college the student may select.

Winter Weekend Fete Set Feb. 22 at SIU-SW

Rosemary Jackson, Alton, has been selected chairman of the 1969 "Winter Weekend" festival at Southern Illinois University-Southwestern to be held from 8-12 p.m. Feb. 22 in the University Center.

Miss Jackson is a 21-year-old senior majoring in education. She is in charge of coordinating the night of entertainment which will feature four bands, including the famed Quartet, Tres Bien jazz group, movies and refreshments.

"The festival has been named 'The Best Yet,' and the idea of the event is to 'provide a night of fun that will appeal to everyone,'" according to Miss Jackson.

The event is open to the public and the admission for non-students is \$1.50.

Chamber Orchestra To Play at SIU-SW

The Southern Illinois University Chamber Orchestra will perform at 8:15 p.m. Friday, in the Communications Building theater at the Southwestern campus. The public is invited to attend without cost.

Conductor John Kendall, professor in the Fine Arts Division, will direct the orchestra as it plays Haydn's "Symphony No. 83," and Vaughan Williams' "Fantasia on a Theme by Thomas Tallis." Peter Lewis, SIU-SW composer-in-residence this year, will conduct his own work, "Espejo," in its first public presentation.

Woman Recruiter to be At Marine Station

Cpl. Judith I. Eddy, woman Marine recruiter, will be at the Marine recruiting office in the East St. Louis post office Friday to speak with young women interested in joining the Marine Corps.

She arrived in St. Louis Dec. 21 to assume duties as a recruiter for an area which includes the southern half of Illinois.

She was born in Tokyo, Japan, in 1948, and lived there until she was adopted by an American family at the age of six and later brought to the United States. She became a naturalized citizen at the age of 14 and completed high school in Alexandria, Va.

A month later, in June, 1967, she enlisted in the corps for three years. After completing boot camp at Parris Island, S. C., she attended the personnel administrative school and was assigned to San Diego, Calif., where she worked in the administrative field.

2-Month Israeli Study Trip Offered by ISU

Nine weeks of study in Israel will highlight a summer institute on the modern Middle East to be sponsored by Illinois State University, Normal, June 28 to Aug. 31. Studies offered will be in the history of the Middle East, political science, economics, geography, sociology and anthropology.

A maximum of 40 students will be accepted for the trip, according to Leon Levine, assistant professor of history at ISU. The institute, offering six semester hours of credit, is open to students from other universities as well as ISU.

Classes will be taught in English by faculty members from the Hebrew University of Israel, the University College of Haifa and ISU. Students will be housed in the Youth Village of Jerusalem and in dormitories of the Haifa college. Weekend visits to the homes of Israeli families also are being arranged.

May 15 is the deadline for applications to be submitted to Levine at Illinois State University, Normal, Ill., 61761. Cost of the program is \$900. Field trips in connection with the institute are planned to Jerusalem, Hebron, Beer-Sheva, Tel Aviv, Jaffa, Acre, Haifa, the Jordan River valley, Nablus, Tiberias, the Qumran Caves, Galilee, Nazareth, Safed, Caesarea, and other places of cultural and historical interest.

Financial Aid at SIU Tops \$10 Million Mark

A 20-year survey of financial aid to students at the Carbondale Campus of Southern Illinois University shows that during the current year a total of more than \$10 million in federal, state and private funds is available, compared with only \$193,000 in 1948.

Figures compiled by the SIU Office of Student Work and Financial Assistance reveal that it was not until the early 1960's that the total aid figure reached \$1 million annually, and as late as five years ago the total for 1963 was \$2,300,000.

The largest single source of student help is the Illinois guaranteed loan program which this year (1968-69) made available more than \$4.8 million. The program is now in its second year.

The next largest aid fund is a combination of state and federal money totaling \$3.6 million during the current year for salaries to on-campus student workers. This figure included \$900,000 from the federal government.

The student work program at SIU is the oldest of the aid funds and accounted for \$188,000 in student salaries as far back as 1948, the first year covered in the survey.

MIKE LOFTUS

Loftus Elected 'Duke' By Tri-Hi-Y Club

Mike Loftus, son of Mrs. Norma Loftus, 3101 Ash avenue, and the late Joseph Loftus, has been elected as the Alpha-Phi-Las Tri-Hi-Y duke of the Tri-Hi-Y club.

"Alpha-Duke" is the title the girls confer on the basis of courtesy, friendliness and respectfulness. The girls are planning a Duke banquet on Feb. 16, to be hosted by Loftus.

A junior at Granite City high school, his activities include tennis, basketball and the Leitemen's Club. He is majoring in art. He also is a member of the Roca Young Men's Club and coaches the Roca basketball team.

Illinois Opera 'Altgeld' To Be Staged at SIU

First public production of a new Illinois opera will be staged at Carbondale March 7-10 by Southern Illinois University's opera workshop.

The new work, "Altgeld," commissioned as an Illinois Sesquicentennial contribution, is by Will Gay Bottje, composer and SIU associate professor of music. Segments of the opera have been sung at concert programs but now it is to have full treatment with a cast of 50, backed by a 35-member orchestra and a corps of dancers, plus costumers, stage designers and other technicians.

Producer is Marjorie Lawrence, opera workshop director.

Enrollment Increases At Illinois State U.

Illinois State University, Normal, set another new enrollment record for the spring semester with 12,565 students registered as of the start of second semester classes Friday.

Between 150 and 200 additional students are expected to register prior to the deadline for late enrollment on Saturday. Friday's total is an increase of 197, or 15.3% over the 10,668 enrolled as of the same date a year ago. Final spring term enrollment last year was 10,884.

3 GC Men Earn Degrees At Missouri U-Rolla

Three Granite Cityans are among 300 students who have completed requirements for degrees from the University of Missouri-Rolla this January. Students were recognized at a student convocation held on campus and will have their degrees conferred during the May commencement exercises.

Completing their degree requirements from here were Herbert Joseph Gillham, bachelor of science in engineering management; Donald B. Lambert, 3724 Nameoki road, bachelor of science in engineering management; and Gary Leonard Lomax, 5260 Sandridge drive, bachelor of science in chemical engineering.

A review of the 47-year history of the "James Stuart Chapter," Order of DeMolays, was presented Tuesday night by Charles Meyer, chapter advisor, during a meeting of 60 members at the Masonic Temple here.

The Granite City chapter was given permission by the national organization to change the name to honor the late James Stuart.

The local chapter, the first in the state, was instituted July 5, 1921, following issuance of letters temporary the previous May 24, and the charter is dated Aug. 15, 1921. Granite City chapter 221, Royal Arch Masons, was responsible for starting the chapter.

In its first year, a membership of 106 was attained, with DeMolays from East St. Louis constituting about a third of the members. The A. D. Manners chapter of East St. Louis was formed the following year.

In addition to social, ritualistic and religious activities, a varied athletic program has been developed. The chapter has many trophies in the lobby of the Masonic Temple, including one for the national DeMolay basketball title won by Granite City in 1939.

Two state master counselors were members of the local chapter—Gilbert Watson and Irvin Slatir.

"Uncle Jimmy" Stuart became a temporary "dad" or advisor in 1933 but the job became permanent as he served 32 years until his death on Oct. 3, 1965. He came to be known as "Uncle Jimmy" to about 3500 youths who came under his direct influence.

He was honored at a testimonial dinner in 1960, became "Advisor of the Year" for Southern Illinois for 1961 and was made a member of the "Guild of the Leather Apron" by the international council. He was awarded the Chevalier degree, Legion of Honor degree, Cross of Honor, Advisor's Honor Key and the White Honor Key.

His wife, who was called "Aunt Vera," formed the chapter's Mothers Circle on May 5, 1934. Two sons also were active DeMolays.

Stevenson Tower to be Dedicated on Feb. 18

The Adlai E. Stevenson Memorial Tower, a 10-story addition to the Lincoln-Douglas hall housing complex at Eastern Illinois University, Charleston, will be formally dedicated on Feb. 18.

The tower is named for the late governor of Illinois and ambassador to the United Nations. The guest of honor at the dedication dinner will be his daughter, Adlai Stevenson III, state treasurer of Illinois.

Following the dinner, Stevenson will deliver a public address at 8 p.m. in the Coleman hall auditorium. A public reception will be held from 9:15 to 10 p.m. in the east lounge of Stevenson Tower.

Named to Dean's List

Michael P. Manning, 2021 Hillside road, Carbondale, has been named to the dean's list at Villanova, Pa., University for attaining a high academic average during the first semester of the current school year.

The first appearance was last Oct. 18 and was the result of appearances at the Illinois State Fair last August.

Shelly Boyd, 11-year-old caller, was requested to call two dances, accompanied by the Barton band, during the 30-minute show.

The Checkerboards participating include John Berkeley, Joe Berkeley, Kenny Goff, Keith Goff, Randy Phillips, Cindy Foster, Pam Clements, Susan Kaleta, Kim Phillips, Joanne Grimes, Karen Goff and Shelly Boyd.

Mrs. Lahr in Texas For Title III Institute

Mrs. Ruth D. Lahr, supervisor of Language Arts, Title III, NDEA in the office of Public Instruction will participate in a Title III Institute which is to be held in Austin, Tex., this week.

The institute for state supervisors of English and reading is programmed to assist the supervisors in modern methods, techniques, trends and texts. Mrs. Lahr was invited to be on the program, representing Illinois. She is presenting a summary of what she feels are the implications or essential information contained in the Marchward report, Language and Language Learning.

Upon completion of the institute, Mrs. Lahr will join other participants, who have been invited to take a tour through parts of Mexico. Mrs. Lahr is on leave of absence from the Granite City school district where she is Director of Title I, ESEA.

Swanick Directing Masquers Production of 'Picnic'

Parked Car Damaged

The parked car of Forrest Williams, 1018 Douglas street, was damaged in the left rear when it was struck by a hit-run auto, according to a report to Venice police Monday afternoon. Police said the car was struck while it was parked in front of the Williams home.

James Swanick, teacher of speech and drama at the new Grigsby junior high school, is directing the Masquers, Inc., production of "Picnic" by William Inge, to be presented Friday and Saturday, Feb. 14-15. The presentation will be given at Webster school auditorium in Collinsville.

All members of Madison county's only musical and dramatic theatre group will be selling tickets. Curtain time is set for 8:15 p.m. Tickets also will be sold at the door the night of the performance.

Swanick, who lives in Collinsville, has been with the Masquers organization since 1961. He obtained a B.S. in Education with majors in vocal music and speech from the St. Cloud State College in Minnesota, and has done graduate work in Theatre at SIU.

The director's theatrical experience includes numerous roles in college productions, service club shows while in the Air Force, and two seasons of summer stock at the Little Theatre in Sullivan, Ill. He has appeared in the Masquers productions of "South Pacific," "Carousel," "But, Stop," "The King and I" and "Carnival."

He has directed three productions for the local group including "The Fantasticks," "Brigadoon" and "Teahouse of the August Moon."

He was presented with the "Masquer" award as best actor of the season for his role in Pajama Game.

Swanick arranged the musical accompaniment for the production of "Dirty Work at the Crossroads" and played it during the performances. He is a member of the board of directors of the Masquers and is a past president of the organization, serving two terms.

Two Autos Collide
Autos driven by Paul Bennett, 2418 East 25th street, and Sam Shambro, 1822 Spruce street, collided at 7:30 p.m. Monday at Olive street and Niedringhaus avenue.

Auto, Train Collide

A car driven by Michael Leatherman, 1031 Third street, Venice, collided with a GM&O train at the south Main street rail crossing in Venice at 12:35 a.m. Tuesday, Venice police reported.

Leatherman, assistant chief of the Venice fire department, told police he was headed south on Main street and did not see the train because of a dim headlight. Leatherman reported that the bell was not ringing and the crossing was not protected. He was uninjured.

Parking Lot Accident

A parked car owned by George H. Buckels, East St. Louis, was damaged in the left rear at 4:50 p.m. Monday in a parking lot accident at the Venice post office, police reported.

Officers said a car driven by Lester V. Goode, 2400 Grand avenue, backed into Buckels' car. Goode's car was undamaged, police reported.

Light Vote Forecast in Tuesday's Mayor Primary

A light vote of less than 50% of Granite City's voter registration was predicted for next Tuesday's mayoralty primary election today as final preparations for the balloting got under way in the office of City Clerk Homer "Cal" Pendleton.

Pendleton announced plans to keep his city hall office open until noon Saturday to permit absentee balloting in person, and said distribution of official ballots and election supplies to precinct polling places will be carried out through Monday.

Polling places will remain open from 6 a.m. until 6 p.m. Results of the balloting are to be reported to the city clerk's office by precinct judges as soon as tabulating is complete in each precinct.

Three candidates are seeking the mayor's office in this year's municipal elections. They include incumbent Mayor Donald Partney, Third Ward Alderman Clyde Boyd and Waldo E. "Ernie" Schellenger, a real estate broker.

Other city officials are not subject to the primary which is required this year for mayoralty elections only under amended state election laws.

Two Results Possible
Tuesday's primary vote could have two decidedly contrasting results. Depending upon the tally, the voters could nominate two candidates—the two receiving the highest number of votes—or they could elect the mayor outright and eliminate a mayor's election in conjunction with the regular city election on April 1.

Election statutes provide for the nomination of two candidates as the principal objective of the primary, but also provide that if any candidate receives more than half of the total vote cast, he shall be considered elected as mayor and no mayor's election shall be necessary.

Political observers predicted today that Tuesday's vote will range between 6000 and 8000 votes, less than half of Granite City's current registration of 19,400 voters.

Opening of the campaign for the regular city election in April is expected to follow immediately after Tuesday's primary. In that election, 18 candidates are seeking eight aldermanic posts, two are seeking the city clerk's job and the post of city treasurer is uncontested.

Lineup of candidates for the city election on April 1 was determined upon expiration of the withdrawal deadline last week in which only one candidate for alderman withdrew his candidacy. He was John Krug, 1852 Poplar street, who had filed as a candidate for alderman in the Fifth Ward.

Krug's withdrawal narrowed the aldermanic contest in the Fifth Ward to three candidates, with one alderman to be elected to a four-year term. Steve Basurich, incumbent Fifth Ward alderman whose term expires this year, is seeking re-election.

He is opposed by Joseph V. Martinez, 1814 Spruce street, and Vasil Minu, 2010 Thirteenth street. The redistricting transferred Alderman Charles Moerli from Ward One into Ward Five, resulting in two "hold-over" aldermen in Ward Five with two years of their terms still remaining. The other remaining Fifth Ward alderman is Walter Nonn.

The same situation exists in Ward Two where the aldermanic race is expected to be one of the highlights of the city election in that ward. Edmund Bartosik and Paul Rutledge, both incumbents, are seeking the one aldermanic post subject to election, while Aldermen Sam Whitmer and Earl Jarrett remain as aldermen of Ward Two for the next year.

Before redistricting, Rutledge served the Fourth Ward and Jarrett the Seventh Ward. Both were transferred into Ward Two as a result of the redistricting procedure. This put both Bartosik and Rutledge in the same ward. Both of their terms expire this year. Bartosik and Rutledge have been on different sides in a majority of major city council issues.

The political picture in Wards Two and Five are in direct contrast to that in Ward One, which originally was served by Aldermen Moerli and William Dallas. Dallas' term expires this year and Moerli's transfer into Ward Five created a vacancy for the two-year holdover spot in Ward One. As a result, two aldermen will be elected in Ward One, one for a four-year term and one for a two-year term.

In Ward Three, Roy Poulos, 223 Benton street, whose term expires this year, is a candidate for re-election, opposed by Albert Ward Jr., 2408 Hodges avenue. The holdover alderman in Ward Three is Clyde Boyd, who is a candidate for mayor in the Feb. 11 mayoralty primary election.

Ward Four also has two candidates seeking the one aldermanic post—R. E. Robertson, incumbent, and Alan LeMaster, 2307 Logan street, a former Granite City police officer.

Three candidates are in the aldermanic race in Ward Six where the incumbent, Richard Fry, did not file for re-election. They are Paul Schuler, 3237 Newell drive, presently a member of the Granite City park board; Henry Kovalik, 47 Villa drive, and Boyd Pringley, 2441 St. Clair avenue. Schuler's term expires as a Park Board member this year, and he is not seeking re-election to that post.

Incumbent Seventh Ward Alderman Ford Johnson did not file for re-election, and the contest for that post also is limited to two candidates, Frank Vesci of 2330 Woodlawn avenue, and Thomas Boker, 10 Bernuda lane. Boker is a former chairman of the Granite City Air Pollution Control Board.

2 in Clerk Race
In the contest for city clerk, Pendleton has filed as a candidate for re-election, and is opposed by Robert Stevens, 3805 Franklin avenue, now city controller.

Expiration of the withdrawal period clears the way for the city clerk's office to begin preparations for the April 1 city election, although the printing of ballots will await outcome of the Feb. 11 mayoralty primary.

Three candidates are running for nomination as mayor, including incumbent Mayor Donald Partney, Boyd and Waldo E. "Ernie" Schellenger, a Granite City real estate broker. Only the mayor's election is subject to the primary election under a 1967 statutory amendment providing that primaries must be held in all communities where more than two candidates file for the office of mayor.

Escape Charge Filled

After Prisoner Flees

Eugene Williams, 26, of 76 Weaver street, Venice, arrested about 10 p.m. Monday on a charge of disorderly conduct, later was named on an additional charge of escape after he fled officers from a squad car. Police said they arrested Williams for creating a disturbance on Weaver street and was taking him to headquarters when they were called to investigate a disturbance at the Eldorado Lounge.

They said they were in the place a short time and when they returned to the squad car Williams, who had been instructed to remain, was gone. He was picked up later. The "Ernie" Schellenger, a Granite City real estate broker, is posted \$50 cash bail on the escape charge and \$25 on the disorderly charge pending a hearing Feb. 19.

Wage-Hour Law Applied To More Retail Firms

Retailers whose annual volume of sales is between a quarter-million and half-million dollars are affected by the Federal Wage-Hour law beginning this month. Legal minimum wage at such stores is \$1.30, increasing to \$1.45 an hour next Feb. 1 and \$1.60 on Feb. 1, 1971.

Overtime is to be paid for work in excess of 40 hours a week, without regard to hours worked in a day or work done on Sundays or holidays. It must be one and a half times the rate of the employee's regular pay, not one and a half times the minimum wage.

The law does not require that employees be paid at an hourly rate, but if they are paid on some other basis, such as salary or commission, their weekly earnings are converted into an hourly rate whenever overtime is involved.

Work Time Defined
Joseph T. Meek, Illinois Retail Merchants Association president, explained this week that

"anything done for the benefit of the employer is time worked and must be paid for, including time spent in delivering a parcel after store hours or making a lunch hour bank deposit. Breaks of 15 minutes or more are not work time, but rest periods and coffee breaks are counted as time worked."

"Payroll as well as other records must be kept as long as three years and be available for inspection by Wage-Hour people at all times."

"Notices must be posted in stores where they can be seen by employees on their way to and from work."

Rules on Women, Children
The law also under the wage-hour law is under the 1963 Equal Pay Act banning discrimination in wages based on sex when men and women are performing equal work, even where there are differences between men and women are provided in union agreements.

"The federal law also has child labor rules more restrictive than those under the state law, although under certain defined conditions students can be employed at sub-minimum rates."

Retailing was brought under the "wage-hour" or Fair Labor Standards Act in 1961, applying to those with annual sales volume of \$1 million and, as of February 1967, to \$500,000-\$1 million volume.

\$150,000 Settlement To Injured Madisonian

Prentiss Thompson, 2132 Alton Avenue, Madison, effected a \$150,000 settlement of his claim against the Alton & Southern Railway Co., in the circuit court of Madison county this week. In his suit, he alleged he was injured April 1, 1966, while a conductor on the railroad's train when it suddenly stopped and threw him to the floor, injuring him.

Thompson's attorney, Morris B. Chapman, said further action will be instituted by Thompson for a later accident sustained by him which allegedly worsened some of his original injuries as well as causing others.

Tax Estimation Forms in Mail

Completely new estimated tax forms for reporting and paying estimated tax for 1969 are being mailed in early February to about 10 million taxpayers, Jay G. Philpott, district director of Internal Revenue for central and southern Illinois, announced today.

A taxpayer should not assume that he is required to file or pay estimated tax simply because he receives the new package, Philpott said. Anyone receiving the new forms package should read the instructions carefully to determine whether he is required to file an estimate.

No declaration is required, in any event, if the estimated tax not subject to withholding can reasonably be expected to be less than \$40. Many taxpayers, Philpott said, choose to avoid filing declarations and making quarterly payments by increasing the amount withheld from their wages.

The distribution of estimated tax forms is being made somewhat later than usual because of the introduction of new features designed to reduce problems in crediting payments to estimated tax accounts. The new forms and instructions, previously a part of the income tax pamphlets, are being mailed separately this year.

The new package includes the necessary forms, instructions and four payment "vouchers" and preaddressed return envelopes. It is being sent to all taxpayers whose prior year records indicate that they may be liable for filing an estimated tax declaration in 1969.

Philpott said the form and payment vouchers will be imprinted with the taxpayer's name, address and Social Security number.

VOTE FOR CITY HALL HARMONY FEB. 11

"We Need Ernie Schellenger's Vigor, His Intelligence, His Understanding Of The Value Of Returning Harmony To Our City Hall And To Restoring Dignity To The Office Of Mayor. Most Of All, We Need His Fresh Solutions To TODAY'S Problems."

Ernie Schellenger . . . By Far, The Best Candidate Out of Three!

During the past four years the citizens of Granite City have grown sick and tired of the weekly battles that are staged in our City Council sessions. The people are aware that candidates Clyde Boyd and Donald Partney have played major roles in these weekly fights. They understand that if either of these two candidates is successful, it would only mean a continuance of the mass confusion and complete bedlam that now exists.

Replace City Hall Violence With City Hall Vigor On February 11.

Miss Crawshaw attended the Granite City schools through the twelfth grade and was graduated from the Brookport, Ill., high school. Both young people are employed in St. Louis. Their wedding will take place March 8 at First Christian Church in Ferguson, Mo.

Guild Decides On Help Projects

The Evening Guild of St. John United Church of Christ met Monday in Fellowship Hall of the church with Mrs. Dorothy Schaefer, president, in charge.

Mrs. Helen Robertson, program chairman, was assisted by a committee composed of Mrs. Henrietta Odum and Mrs. Alice Pfender.

The topic was "Compassion and Humility," and a film on "Hard Core Poverty" was shown by Miss Freda Deshimer. A general discussion followed on ways of assisting and the group decided on tutoring one child for one hour each week; transportation for the elderly and the needy to doctors, hospitals or Boys Town, and devoting time to the handicapped.

It was also voted to join the International Least Cost organization.

Refreshments were served to 36 persons, including one new member, Mrs. Mary Elliott, and six guests, Mrs. Dorothy Hamilos, Miss Louise Desheimer, Mrs. Thelma Jacobsmeyer, Mrs. Ellen Ehler, Mrs. Ann Beatty and Mrs. Marie Wille. The two latter are members of the Afternoon Guild.

A Washington theme was carried out in the appointments and cherry pie and coffee were served.

Shower Honors Miss Powell

A personal bridal shower was given for Miss Janet Powell this week by Miss Gail Vogler at 2208 Anna avenue.

Miss Powell will be married Feb. 8 to Ronald Ely.

The refreshment table was decorated with red and white candles and favors of rice in net bags. A wedding bell was suspended above the table. A shower umbrella of nylon net decorated the gift table.

The wedding of Miss Powell and Ronald Ely will take place Saturday, Feb. 8.

Those attending were Mrs. Lidia Powell and Mrs. Stella Jones, grandmothers of the bride, Mrs. Carolyn Ely, the bridegroom's mother, Mrs. Ruth Hubbard, Mrs. Wilma McQuinn and Mrs. Dolores Vogler.

Prizes were won by Darla Walton, Connie Means, Janice Albers and Peg Miles; and the special prize went to Sharon Johnnesse.

3 Compete in Mayor's Primary Tuesday

DONALD PARTNEY

Donald Partney, incumbent mayor of Granite City since 1965, is seeking renomination and re-election as mayor in this year's primary and municipal mayoralty elections.

Partney, 52, who lives at 2600 Illinois avenue, served 18 years on the city council as an alderman prior to his election as mayor four years ago. He is married and is the father of three grown sons, and a daughter.

The incumbent mayor is president of the Granite City Sheet Metal Works, Inc., which has been operated by his son, David Partney, since he was elected mayor. Prior to forming his own corporation, Partney was a foreman for the Westinghouse Electric Co., sheet metal division, Emerson Electric Co. Air craft division and was an estimator for some of the area's largest sheet metal firms.

Attended Local Schools
He attended schools in Granite City and Jefferson county, Mo., and studied engineering for two years in Berkeley, Calif. He served as president of the United Welders of America in 1942; was president of the Tri-City Shrine Club in 1953; president of the Logan school PTA in 1954; president of the Tri-County Sheet Metal Contractors' Association for Madison, St. Clair and Monroe counties in 1957, and chairman of the All-American City film in 1958.

Partney is a member of Sheet Metal Workers Local 295 and an inactive member of Bolleymakers' Local 530. He is a member of Masonic Lodge 877, Scottish Rite Bodies and Amad Temple East St. Louis, and holds a lifetime membership in the Shrine's Hospital. He is a member of the Shrine's Hospital, a member of the advisory council of International Supreme Council of DeMolay; was chairman of the planning and zoning committee under the Southern Illinois University program; member of the North Day Optimist Club; member-at-large of Cahokia Mound Council of the Boy Scouts and a member of the Elks, Granite City lodge 1063. He is a world war II Navy veteran.

Partney received an award for civic achievement as Fourth Ward alderman in 1956; the DeMolay "Hats Off Award" in 1950 and the DeMolay Grand Honor in 1962.

He also has received certificates of merit from the Navy Mothers Club of America, the American Cancer Society, Granite City Junior Chamber of Commerce. The mayor also has received certificates of civic achievement from St. Elizabeth Hospital in Granite City, St. Louis Globe-Democrat Champion Old Newsboy and a parchment of Pappal Blessing from Pope Paul.

Says City Progressed
The mayor said he is seeking re-election because he believes that since he took office in 1963 "my administration has been instrumental in making great strides in the progress of our city."

"The people of Granite City have been very good to me and I feel this is a small way in which I can repay the citizens of our great city. I believe we need people of experience, honesty and integrity to plan and meet the needs of the future development of our community."

His answers to the questions:
1. "This is hard to say with the possibility of two elections and advertising as costly as it is. With all my volunteer help and by saving many painful signs from last election, my cost should be less than my opponents."

2. "My funds are 'out of my pocket and donations from my friends.'"

3. "I have only support with-

CLYDE BOYD

Clyde "Bud" Boyd, 38, of 2231 Benton street, is seeking nomination and election as mayor of Granite City after serving six years as alderman of Ward Three.

Boyd is a lifelong resident of Granite City and is a representative of the Granite City sub-district of the United Steelworkers of America. He formerly worked at Granite City Steel Co. from 1946 until 1964.

He is a graduate of Granite City high school and a USAFI course of the U. S. Navy and is Educational Coordinator of United Steelworkers with the University of Illinois and Southern Illinois University.

Boyd also is co-chairman of the Legislative committee of the USWA subdistrict and advisor to Southern Illinois University Labor Education.

Labor Council Delegate
He is a member of the First Presbyterian church, a member of the Emerson school PTA, delegate to the Tri-City Trades and Labor Council; a member of the American Legion, Veterans of Foreign Wars and Moose Lodge. He served with the U. S. Navy from 1950 through 1954.

As alderman of the Third ward, a post to which he was elected in 1963, Boyd has served on the Sanitation, Civil Defense, Fire and Water, Police and Planning and Zoning committees.

Boyd has served as Granite City chairman of the March of Dimes Industrial workers; Thirty-Minute Club of Granite City Steel Co.; is former president of Local 67 of the Steelworkers; Cold Strip Joint Committee and vice chairman of the Joint Committee; and trustee from 1956 to 1960 at Granite City Steel Co.

He also is a director of the Granite City Steel Employees Federal Credit Union, and was a Democratic precinct commit-
teeman from 1961 to 1962.

Boyd is married and has one daughter.

Wants Better Government
Boyd said:

"My main reason for seeking the office of mayor of Granite City is to have better city government at all levels in the city. One basic necessity in establishing a more progressive city is to have an understanding with all the aldermen serving their wards and the people of Granite City. This must be the first accomplishment of any mayor serving the city."

"Engineering, air pollution, downtown improvements, special projects, annexation, traffic and parking improvements must be accomplished without the mayor and aldermen working together, which I will do at all times and as I have done the last six years, regardless of their political beliefs or who they support or supported in the past."

Boyd's answers to the questions:
1. "\$400 to \$800."

2. "Personal friends, my own personal money and organized labor."

3. "No."

4. "No."

5. "No."

6. "Yes."

7. "Yes."

8. "We are ready at any time to file for another federal grant and have all the necessary forms made out for the complete separation of our sewer system."

9. "We, with the neighboring cities, have been studying community incinerators jointly. This would be less costly."

10. "I have devoted full-time to the office of mayor and am the first full-time mayor Granite City has ever had."

11. "There is a great need for a full-time engineer; also a full-time attorney."

12. "I have always encouraged expansion and annexation and municipal services within the municipality."

13. "This has already been a known fact under this administration."

14. "I have initiated a qualified traffic engineer for the purpose of regulating traffic and parking improvements."

15. "I would work with the supervisor to achieve uniform city-township polling places."

16. "By following the recommendation of the 1800 petitioners to reduce the size of the city council to seven members."

17. "I have always tried to follow the advice of professional city planners who are experienced in this field."

WALDO SCHELLENGER

Waldo E. "Ernie" Schellenger, 42, candidate for nomination and election in Granite City's municipal balloting, has not previously held public office. He lives at 2201 Woodlawn avenue with his wife, Jacqueline. They have two daughters.

Schellenger has been a registered real estate broker since 1953, entering the real estate business in 1950 as a salesman for the Francis Agency. In 1955 he served as an associate broker at Rainford Agency.

He was born in Sparta, Ill., and attended public schools there and in St. Louis. He was graduated from Sparta Township high school and attended Shurtleff College prior to his merger with Southern Illinois University. He received his professional training at SIU and is presently enrolled as a third-year student in Logan College in Normandy, Mo.

Schellenger is a past member of Toastmasters International, American Legion, Optimists, Amvets, Bolleymakers Local 535, Local 72 of the United Steelworkers of America, Local 13 of the Office and Professional Workers Union, and was a delegate to the Tri-City Trades and Labor Council from 1956 to 1967.

He was a delegate of the Office and Professional Workers Union to the 24th Congressional District COPE and served as the Trades council representative with the United Fund. He also served as chairman of the grievance committee for Local 49 of Insurance Underwriters of America.

Wants Council Unity
Schellenger said his primary objectives in seeking election as mayor are to establish unity and harmony on the Granite City Council and to initiate a program of progress at a time when he feels the city is "standing still."

His answers to the questions:
1. "About \$2000."

2. "Schellenger family funds."

3. "No."

4. "No."

5. "No. I believe that these people earn what they make."

6. "Yes."

7. "Yes."

8. "Yes."

9. "If necessary."

10. "Yes."

11. "Yes."

12. "Yes."

13. "Yes."

14. "I would not fight and argue with the council members."

15. "I would like to study this plan before accepting or rejecting it."

16. "Yes."

17. "Yes."

18. "We are ready at any time to file for another federal grant and have all the necessary forms made out for the complete separation of our sewer system."

19. "We, with the neighboring cities, have been studying community incinerators jointly. This would be less costly."

20. "I have devoted full-time to the office of mayor and am the first full-time mayor Granite City has ever had."

21. "There is a great need for a full-time engineer; also a full-time attorney."

22. "I have always encouraged expansion and annexation and municipal services within the municipality."

23. "This has already been a known fact under this administration."

24. "I have initiated a qualified traffic engineer for the purpose of regulating traffic and parking improvements."

25. "I would work with the supervisor to achieve uniform city-township polling places."

26. "By following the recommendation of the 1800 petitioners to reduce the size of the city council to seven members."

27. "I have always tried to follow the advice of professional city planners who are experienced in this field."

Questions for Mayor Candidates

Following are 15 questions asked each of the Granite City mayor candidates by the Press-Record. The answers appear along with the biographical sketches of each of the candidates.

1. How much money will be spent in all phases of your campaign?
2. In general, what are the sources of your campaign funds?
3. Will you be supported in the campaign, financially or otherwise, from outside your home city?
4. Have you made commitments on appointments to either paid jobs or non-paid jobs?
5. Do you favor campaign support, financial or otherwise, by city jobholders?
6. Do you favor continuation of the storm water program to further separate storm water and sanitary sewage?
7. Do you favor action by local cities, jointly or individually, to establish a community incinerator?
8. Would you devote full-time to the office of mayor?
9. Do you favor a full-time city engineer, paid on standards recommended by the Illinois Society of Professional Engineers?
10. Would you encourage expansion through a clearer policy on annexation and municipal services in fringe areas?
11. Would you support Urban Renewal programs for the downtown district and other sections of the city?
12. Do you propose traffic and parking improvements?
13. Would you try to achieve uniform city-township polling places?
14. What steps would you take to promote more accord on the city council?
15. Would you utilize the city comprehensive master growth plan?

Revised Building Permit Forms Used in County

A revised set of building permit application forms for construction in unincorporated areas of Madison county have been adopted by Jack Clifford, county building official.

The new application includes the pages of forms, being substituted for three previously used, but the new system will provide more complete information, Clifford said.

Two of the pages, the specification sheet and the plot plan, remain the same.

8 College Choirs to Hold Festival at SIU-SW Saturday

Southern Illinois University-Western campus will hold its first annual college choir festival Saturday, Feb. 8, in the University Center ballroom.

According to Leonard Van Camp, director of choral activities at the Edwardsville campus, there will be eight choirs participating, including the Concert Choral he directs.

The festival is being sponsored by the SW campus Choral in cooperation with the American Choral Directors Association, Van Camp is chairman of the Illinois ACDA.

Other participants will be the Greenville College choir, directed by James Wilson; the University Choir from Carbondale, directed by Robert Kingbury; Richard Griffith's Collegium Musicum from Monmouth College; the University of Illinois Concert Choir, directed by Harold Decker; the Milliken University Choir, directed by Richard Hoffland; the Illinois Central College Mixed Chorus, under the direction of Ron Peterson, and John Mallory's Eastern Illinois University Concert Choir.

Each choir will sing a 20-minute program for the other choirs and the eight will combine in a rehearsal of the Tallis Forty-Voice Motet, made up of eight five-part choirs. "So far as is possible in the available rehearsal time," Van Camp said, "the choirs will perform" this harmony.

The festival's goal, the SIU choral director pointed out, is to make it possible for singers in college choirs to hear other college choirs perform, for students to see other campuses and to become acquainted with the students at each, and to provide the directors an opportunity to exchange ideas and repertoire.

The time element, he said, precludes having more than eight choirs. "I hope similar festivals will be held throughout the state so more students and directors can share ideas, discuss common problems, and seek solutions together."

Heart Fund Chairmen Named for Madison, Venice

Local chairmen for the Illinois Heart Association's annual drive for funds announced this week their specific projects scheduled for the month, designated as "Heart Month."

Mrs. Patricia Petrovsky, chairman of the Madison Division, will meet on Feb. 13 with the Mothers Club of Harris school, to complete plans for a door-to-door campaign on Feb. 21. Assisting the mothers will be a Cadette Girl Scout Troop and leaders.

Preceding the drive a number of posters announcing the event

will be placed in business establishments in Madison.

Venice Heart Sunday

Mrs. Laura Fecite, a past president of the Venice Junior Service Club and third vice-president of the Illinois Federation of Women's Clubs, will serve as the Venice chairman and included in her plans will be a drive on Heart Sunday, Feb. 23. Assisting her in the residential drive will be volunteer mothers of the community.

The first promotional event will be Feb. 12 with an ice skating session held at Wilson Park, rink from 9 to 11:30 a.m. An evening session is planned tentatively for Feb. 22 from 9 p.m. to midnight for senior high students and adults. This date will be confirmed later.

A business district solicitation known as "Heart-Days-for-Business" will get under way

here Feb. 16 and continue for seven days, highlighting the early part of the 1969 Heart Fund Campaign. It was announced today by Dr. Benjamin Rose, campaign chairman.

A residential canvass in Granite City, giving every family a personal opportunity to advance the fight against the heart and blood vessel diseases, will be conducted on Feb. 23, designated "Heart Sunday."

650 Volunteers

Mrs. Pat Polley will serve as the Heart Sunday chairman and will have 650 volunteers from PTA groups at all local schools. Feb. 17 through Feb. 23, local bowlers may enter a tournament which will be held at both Tri Mor and Bowland bowling lanes each evening.

Mrs. Virginia Ahrens will conduct the event at Bowland, and Mrs. Bertha Pucker will handle the entries at Tri Mor.

A \$1 fee will be charged for a three-game series figured with a 75% handicap. Seventy percent of each dollar will go to the heart fund and 30% will be set aside for the prize money. Distribution of the prize money will be made in conjunction with rules set up by the ABC and the WIBC. There will be six prizes for the men and six for the women, and the amount will be determined by the number of entries.

Another of the promotional events will be a mimee at the Washington Theatre on Feb. 22 beginning at 10 a.m. Tickets may be purchased in advance for 50 cents for both children and adults from PTA members or at the door.

Volunteer workers are needed in all the planned events. Anyone interested is asked to contact the chairman.

Pontoon Mayor Reports

Prospect Bright for Lower Speed Limit on Highway 111

Prospects appear good that the speed limit along Highway 111 within the village limits of Pontoon Beach will be reduced soon to 45 mph. A blinker-light also may be installed. If an investigation by the Illinois Department of Public Works shows that conditions warrant one, according to Thomas Staicoff, Pontoon Beach village president.

Staicoff said that petitions, with signatures of 125 village residents were presented Friday in Springfield to William F. Cellini, newly-appointed director of the Illinois Department of Public Works.

"The state director was very interested in traffic problems along Highway 111 within the

village boundaries and promised to send a directive to the Highway Division headquarters at French Village, asking that the speed limit be lowered to 45 mph. If the highway department officials don't comply, he (Cellini) wants to know why not," Staicoff told the Press-Record.

The new agency director, who was described by the village official as "an energetic young man, obviously aware of local problems," also agreed to study the feasibility of installing a blinker light at the Pontoon road-Highway 111 intersection.

Staicoff said two large overhead street lights recently were installed at the busy intersection at village expense to provide illumination for motorists trying to find the Pontoon road cutoff. Seventeen of 35 accidents on the disputed stretch of Highway 111 in 1968 occurred at the intersection.

Donald McNew, a member of the Pontoon Beach village board of trustees, accompanied Staicoff to Springfield to submit the petitions.

Kiwanis Hear Report On Area Conference

Melvin Gillie presented a detailed report on the recent midwinter conference of Kiwanis Clubs during Monday evening's meeting of the local club. Alvin Gross, secretary, presided over the Granite City club's meeting at the Ross Bowl.

Gillie noted that 93 Kiwanis from all 14 district clubs attended the conference held at Alton with Verie G. Dollahan, governor of the Illinois-Eastern Iowa district as speaker.

Gov. Dollahan outlined the six objectives of Kiwanis International. They are, Gillie said:—

- "To give primarily to the human and spiritual, rather than to the material values of life."
- "To encourage the daily living of the Golden Rule in all human relationships."
- "To promote the adoption and application of higher social, business and professional standards."
- "To develop by precept and example a more intelligent, aggressive and serviceable citizenship."
- "To provide, through Kiwanis Clubs, a practical means to form enduring friendships, to render services, and to build a better community."
- "To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and good will."

The six objectives of Kiwanis were set up at the international convention held in Denver, Colo., in 1924 and have not been altered during the years, Gillie pointed out on "Sharing In a Most Urgent Work."

Working with Wengert will be the circuit supervisor, T. M. Green, who travels to the 14 congregations making up Illinois Circuit Six. Green spends a week at a time with each congregation three times a year. Both Wengert and Green are married and their wives travel with them and share in their missionary work.

About 95 delegates from the local congregation are expected to attend convention sessions. Those working in some of the 22 convention departments include Angelo Bruno, 2816 East 25th street, field service department; Scaglione, 1938 Joy avenue, cafeteria department; and Michael Garin, 1741 Walnut street, news service department.

Baptism and ordination of new ministers is set for 1:30 p.m. Saturday. That evening, 25 ministers will take part in a program.

At 3 p.m. Sunday, Wengert will deliver a public talk, "Law and Order—When and How?" First session will be at 6:45 p.m. Friday. All interested persons may attend the convention, and there will be no admission charges or collections.

National Beauty Salon Week Starts Sunday

"Crown Your Beauty with a New Hair Style" is the theme of the National Beauty Salon Week to be observed Feb. 9-15, by the Elite Hairdressers Association.

Local cosmetologists will be joining in this program, with thousands of colleagues from across the nation, donating their services to orphanages, old folks homes, sanitariums, hospitals and shut-ins.

Mrs. Dorothy Line, president of the local organization, said Mrs. Sue Cook is general chairman and will be assisted by Stanley Coleman, co-chairman.

They plan to conclude the week with a show of hair styles and also fashions from Rich's dress shop. The show will take place at the American Legion Hall in Venice on Sunday, Feb. 16, at 2 p.m. Tickets may be obtained from any member of the association.

Proclamation

WHEREAS, the hairdressers and cosmetologists of our community have dedicated themselves to giving the highest standards of professional beauty care; and

WHEREAS, the 19th annual National Beauty Salon Week will be observed for such purpose in our community, as well as throughout the nation, during the week of Feb. 9, by more than 70,000 members of the National Hairdressers and Cosmetologists Association; and

WHEREAS, the members of this national professional association are continuing a public service program that enhances the physical and mental well-being of thousands of Americans throughout this nation by providing professional beauty care to less fortunate women confined to homes for the aged, hospitals, and other institutions, now

THEREFORE, I, Donald Partney, mayor of Granite City do hereby proclaim the week of Feb. 9, as "National Beauty Salon Week," and entrust it to the consideration of all citizens as a week in which to give special acknowledgment to the cosmetologists of our community, to recognize their high sense of civic responsibility, and their dedicated attention to services for the beauty of women everywhere.

DONALD PARTNEY
Mayor, Granite City

Put Social Security Number on Tax Check

"Your Social Security number is the key to the processing of federal tax returns and should be put on all checks or money orders sent for tax payment," Jay C. Philpott, district director of Internal Revenue for central and southern Illinois, said today.

If the taxpayer's check or money order becomes separated from his tax return during processing, the Social Security number on the payment will make sure it is properly credited to his account. But if a check without a Social Security number is separated from the return, the payment is set aside and the taxpayer may get a bill.

The check cannot be credited to the taxpayer's account in those cases until he has provided IRS with the necessary information to identify the payment, he explained.

Last year, IRS received more than 15 million tax returns with checks or money orders attached. In addition, several million checks were received for payment of estimated taxes.

"With this volume of checks received during the tax filing period," Philpott emphasized, "taxpayers can be confident that their tax account is properly credited only when they identify all payments with their Social Security number."

Circuit Convention to Begin in Area Friday

Angelo Scaglione, presiding minister of the local congregation of Jehovah's Witnesses, reports that all meetings of the congregation at 2822 Palmer avenue will be canceled tomorrow through Sunday due to a circuit convention to be held on those days at East St. Louis high school, 4901 State street.

An estimated 2000 delegates are expected to attend. There will be "Make Wise Use of the Remaining Time," based on the Bible text of 1st Cor. 7:29.

Joseph D. Wengert, special representative of the Watchtower Bible and Tract Society and district supervisor for 200 congregations in several midwest states, will speak at 7:30 p.m. Friday on "Sharing In a Most Urgent Work."

Working with Wengert will be the circuit supervisor, T. M. Green, who travels to the 14 congregations making up Illinois Circuit Six. Green spends a week at a time with each congregation three times a year. Both Wengert and Green are married and their wives travel with them and share in their missionary work.

West German Play to Be Staged at SIU-SW

A troupe of West German players will be on the Southern Illinois University-Springfield campus today to perform Heinrich Kleist's "Der Zerbrochene Krug."

Translated "The Broken Jug," the comedy has been a favorite in Germany for more than a century. It will be staged by a troupe of 12 professional actors on its fourth tour of this country and Canada. Curtain time is 7:30 p.m. in the Communications building auditorium. The public is invited admission free.

The play concerns a village trial over a broken jug, which ends by unmasking the local judge as a scoundrel and provides opportunity for ribald portrayal of vigorous individualities.

Students of Prof. Raymond J. Spahn's Advanced German literature classes have prepared complete translations for all who wish to review the play in English before seeing it. The translations are available on an hour loan by calling the foreign languages office.

Simon Cites Respect for Ogilvie

By LIEUTENANT GOVERNOR PAUL SIMON

Split government in Illinois—will it work?

That question is put to me more than any other these days. "Can you have a Governor and a Lieutenant Governor of two different parties and make it work?"

The answer is it can work, and I believe it will.

In two or three years we can view all of this with more perspective and get a clearer answer. But here are some facts which you should know:

1. Illinois faces its most difficult legislative session since 1933. There are some serious financial needs, such as education, and some less obvious needs, also of great importance.

The answer to these problems is not going to be found easily. Governor Richard Ogilvie knows this; I know this. It does not seem likely that we can work together toward goals we both acknowledge.

2. In the past election, Illinois voters had a choice between two good candidates for governor. I supported the losing candidate, but at no time did I lose my respect for Dick Ogilvie. We have known each other for perhaps eight years and our relationship has always been a cordial one.

3. Shortly after I learned the election results, I phoned the governor-elect and told him I would not use the authority of

the lieutenant governor to be an obstructionist.

When he leaves the state and I am acting governor, no bills will be signed or vetoed, no vacancies filled, no cabinet members fired. All of these things I could legally do, but I have the authority to do it.

4. For his part, the governor-elect assured me of his cooperation, saying he agreed the lieutenant governor must have an adequate and competent staff, and told me he liked the idea of my becoming an "Ogilvie" (a troubleshooter for citizens' complaints).

I might add a more personal factor: Mrs. Ogilvie is gracious, natural and cheerful. I will not pretend they do not exist, nor I am sure will Governor Ogilvie.

But we start in an atmosphere of mutual respect, and this should be a hopeful sign for the people of Illinois.

Faculty Helped Disrupt Columbia

"Crises at Columbia: Report of the Cox Commission." New York, Vintage, 222 pages, \$1.95.

Reviewed by Paul H. Morrill, assistant to the president of Southern Illinois.

(Review published in the Daily Egyptian, SIU Department of Journalism, Carbondale.)

We have in hand one of a vast number of books, reports, and articles on disturbances at universities.

"Crises at Columbia" is the report of the Fact-Finding Commission appointed to investigate the disturbances at Columbia University in April and May 1968.

Writing as a graduate of Columbia, the report is indeed a candid and contemporary writing as a person concerned with education for most of his life, it is a record to be reviewed fully and taken to heart.

But, then, we said that about Berkeley in 1968. That prophecy was virtually ignored. Worse, the "guilt" that separates, "has widened almost beyond recall."

Meanwhile the dichotomy of motive and method, of concern and consideration, of recognition and reform looms ever higher.

Perspective, or the loss of perspective, was both a cause and a consequence of the violence of April and May at Columbia.

Essentially, says the report, Columbia is a great institution, but her condition fundamentally sound.

Yet her shortcomings in a moment of time appeared to outweigh her strength.

The detailed diagnosis which this report gives in seeking to trace symptoms and problems to their source should not obscure Columbia's values and importance.

That fact is present as is the fact that Columbia University was brought to the brink.

The report is divided as follows:

I. Student Attitudes and Concerns—an informative and useful review in which names and places could be interchanged to reveal attitudes apparently prevalent in many other colleges and universities.

II. Uncertainty Concerning the Role of the University—a

remarable section in that it details the errors of omission and commission of the University which could serve as "caution."

III. Social Attitudes Toward Disruptive Demonstrations—traces the rise of disruptive tactics, which could have been widely condemned ten to fifteen years ago, which are now accepted and approved in many quarters.

Disruption, harassment, and physical obstruction became common tactics in the civil rights case, in the peace movement; its use became the "tool" to pry loose university policies.

Certainly there was no consensus on the Columbia campus that condemned the tactics of disruptive demonstrations.

As the heat came up, an Ad Hoc faculty group (AHFG) offered to disrupt by calling a strike and to enforce it by physical obstruction.

There is no question that the climate was right for the event.

IV. Conditions Special to Columbia—adequate student life in a metropolitan center; faculty detachment in which student stood a poor last in a busy academic world, campus badly handled community relations; depressed faculty morale and depressing attitudes by administrative managers.

V. Student Organizations—a review of the roles of Students Against a Racist Society (SARS) and the Students Afro-American Society.

That is Part I.

Part 2 gives a History of the Disturbances which, despite previous accounts, is a chilling commentary on the precipitous events leading to the closing of the University.

Part 3 gives General Observations in appearance.

Here are the white papers of the University, the resolutions of the faculty, pro and con, the text of demands to the University.

Columbia University obviously was ripe for what occurred; small number of people were joined later by many more; the faculty did not speak with one voice or as a body; the students as members of the university community.

Future School, Parks Recommended in Eastern Area

(Excerpts from the newly-adopted Granite City Long-Range Development Plan)

Planning District Three is bounded by Pontoon road, Namoki road, East 25th street, Highway 182 and the Alton & Southern Railroad right-of-way.

The main land use in this district is designated as residential, with a small amount of single-family use in the extreme eastern portion.

Substantial medium-density residential development should be developed in close proximity to major or collector streets, such as Namoki, Pontoon and Mayville roads.

In order to meet the needs of both this district and Planning District Two, a new junior high school should be constructed south of Parkway elementary school, near the intersection of Highway 182 and the Alton & Southern Railroad right-of-way.

During the planning period, the present time through 1985, the main land use in this district will become a problem in District Three if the need is not anticipated and action taken to develop a new park land.

Therefore, it is recommended that:

1. A 15-acre playground be established southeast of McFarland tract.

2. A 15-acre playground be established adjacent to and in conjunction with the proposed new junior high school.

3. A new 20-acre neighborhood park be located in close proximity to the public housing for the elderly (The Anchorage).

With the addition of these facilities, the recreational needs of the 1985 population of District Three would be adequately served.

District Three is fairly well served by community facilities, with the exception of police and fire protection.

With construction of a new combination police-fire station, along Pontoon road in addition to the existing fire station along Madison avenue, police-fire protection would be adequate.

Miles Laboratories First to Propose Facilities Along Route of New River Highway

Plans for new offices, a research center and a pilot plant on Oak Road further solidify the designation of Granite City as the international headquarters of the Union Division of Miles Laboratories.

The fact that an urgent need for office space has developed reflects the expanding role and success of Miles Laboratories and its division in manufacturing a variety of established and new products desired by consumers.

Since Miles acquired the former Union Starch & Refining Company, the office staff of the Union Starch headquarters at Columbus, Ind., has been moved here along with the Miles starch sales force, previously located at the Miles corporate headquarters in Elkhart, Ind.

Such moves and the future plans are a compliment to this community and its suitability as a "fine place to live and transact business."

Planning and municipal officials undoubtedly will endorse the proposed expansion, the first of probably many instances of industrial development along the Great River Road as it is extended southward.

No Freedom Secure Without Orderly Society; Mob Rule Unacceptable Even for 'Justice'

Even in the Republican party, which was aided in capturing the presidency by the law and order issue, there was a significant difference in views in 1968. President-to-be Nixon stressed "order with justice," his chief rival, New York Governor Rockefeller, favored "justice with order."

What was involved was not a play on words, but the issue of whether, under certain circumstances, there is justification for abandoning adherence to our structure of laws.

People, however, including public figures like Gov. Rockefeller, forgot was the grim lesson of history—that elimination by force of real or imagined oppression usually begets worse oppression, live and transmit to the "people's victory" in the revolution of 1917. Communists exterminated literally millions of their own people to retain control after the czar had been slain.

Such thoughts come to mind due to the current effort by young revolutionaries to disrupt the educational process in America.

Dr. S. I. Hayakawa, assistant president of San Francisco State College, testifying before the U. S. House education subcommittee this week, said the threat to freedom is much graver than generally realized, and noted that some of

CLUB THANKS MAYOR FOR CLEANING UP CEMETERY

To the Editor:

After reading the Jan. 23 letter in the Press-Record, "Partners Role in Past Strike Aiding Workers," about the good things he did in the Union Starch strike, we of the Kirkpatrick Homes Golden Age club want to thank Mayor Partney for cleaning up the old cemetery adjacent to Kirkpatrick Homes.

Our club, in its second year, which is eight years ago, sponsored a clean-up day at the cemetery. Letters were mailed to several different organizations for help, but none was received. With the help of the Kirkpatrick Homes Teen Age club, we did our best to clean it up, but made very little showing.

Since Mayor Partney has been in office, it has been all clean and bright.

Our thanks also go to the neighbors with power lawnmowers who have kept it mowed at the end of East 25th street and Charles street in front of Kirkpatrick Homes between the weed cutting by the city.

We want to voice the thanks of the Golden Age club to Mayor Partney.

Several Potential Revenue Sources Available to the State Government

(State Chamber of Commerce Tax Department)

What if General Fund tax source rates of the Illinois state government were increased? Here are some revenue potentials based on the existing General Fund tax sources.

An additional 1% sales tax could yield \$14 million projected growth in the economy might raise slightly more than \$400 million.

An additional cent per pack of cigarette tax could produce \$33 million for the biennium of July 1969-June 1971.

An additional 1% utility tax might yield \$30 million.

Doubling the Corporate Franchise Tax again might produce \$30 million.

A 10% increase in all alcoholic beverage taxes might raise slightly more than \$10 million.

Several organizations have submitted about 15 ways to produce additional revenue:

1. Increase the Corporate Franchise Tax from the present 1/100th of 1% to a full 1% or 100% increase. It was estimated this could produce \$277 million.

2. Broaden the sales tax concept to include services—\$800 million.

3. Enact a 3% flat-rate income tax based on an individual's or business' taxable income listed on the federal income tax return—\$688 million a biennium.

This proposal would include deduction of credits for all personal property taxes paid and a 10% deduction of any real estate taxes paid.

Without the credits—and credits are subject to some extremely difficult constitutional questions in Illinois—a 3% tax rate would produce about \$12 billion in a two-year period.

Next: Legal aspects.

Foreign Steel Imports Up 55%

(American Iron and Steel Institute)

Foreign steel mill products shipped into the United States in 1968 totaled more, in raw steel equivalent, than the entire production of the Pittsburgh district, historic center of steel-making.

On the basis of preliminary figures supplied by the U. S. Department of Commerce, nearly 18 million tons of steel mill products were imported into the U. S. last year.

That was equal to about 26 million tons of raw steel, or about the same tonnage of steel poured by furnaces in the Pittsburgh area. Steel product shipments normally account for about 70% of raw steel output.

Steel imports during the year were valued at \$1,975,700,000 as against the value of \$444,400,000 for 1967, a 444% increase.

Thus, the steel trade deficit for 1968 amounted to \$1,531,300,000 and was a major contributor to the shrinkage in the U. S. foreign trade surplus, which last year declined to \$728 million from \$4.1 billion in 1967.

December imports of 1,425,000 tons of steel mill products boosted imports to 17,960,000 tons, the highest on record and far above the 11.5 million tons of the year before.

The total would have been higher but for the dock strike which started in December.

The foreign steel tonnage accounted for almost 17% of apparent domestic steel consumption.

The year saw continued sharp increases in imports of flat-rolled steel products.

Hot-rolled steel imports climbed to 3,468,000 tons from 2,385,000 tons in 1967, while cold-rolled imports totaled 2,915,000 tons compared with 1,425,000 tons in the previous year.

What's New With Your 'Revenuers'

By JAY G. PHILPOTT
District Director, Internal Revenue Service
(First of Five Articles)

This year, the Internal Revenue Service is asking that all federal tax returns be mailed directly to the IRS Service Center, Kansas City, Mo. 64109.

Taxpayers who received the basic Form 1040 tax package (no schedules) find the entire package printed in blue on white with key words in red. More than 30 million taxpayers received this kind of package in a nationwide test project.

All other taxpayers received Form 1040 tax packages and schedules printed in the usual black and white format.

The test project is being used as an effort to reduce taxpayer errors. IRS officials believe the color focuses attention on the most common errors.

Red type is used to call attention to the Social Security number, signatures and instructions for computing the tax due.

IRS hopes that the "color alert" will make taxpayers more conscious of the need for accuracy in all parts of the return.

Taxpayers will find for their convenience pre-addressed envelopes contained in the tax packages. Envelopes contained in the 1040A package will need "Kansas City, Missouri 64109" inserted on the dotted line provided.

The surcharge is something new this year, too.

The tax surcharge for individuals is equal to 10% of the annual tax payable during the period from April 15, 1968, through June 30, 1969.

Thus, for a calendar year business return, the 1968 add-on to the tax is 7½%. The 1968 tax form has provided a new line, 12b, for computation of this surcharge.

IRS officials urge taxpayers:

1. To file early but not before all Forms W-2 and information on income received from other sources such as dividends and interest are received.

2. To take the pre-addressed tax forms provided in the income tax package.

3. To make certain all information on the return is correct and accurate.

4. To be sure to sign the tax return.

U. S. Limited in Seeking Return Of Draft Dodgers Who Go Overseas

(Tri-City and Illinois Bar Associations)

What legal consequences await the person who avoids military draft by fleeing to another country?

The young man who leaves this country and fails to respond to an induction notice from his local draft board is subject to indictment by a grand jury as a fugitive from justice.

Upon return to this country, he would face federal prosecution and a possible fine of \$10,000 or five years imprisonment, or both.

However, U. S. extradition treaties generally have no provision compelling the return of persons who have escaped the country by moving to a foreign country.

Thus, the draft dodger has only his conscience to contend with as long as he remains outside the jurisdiction of the United States.

The status of the military deserter who takes refuge in a foreign country is much the same. That is, the United States generally has no authority to demand his return or military deserter who is granted asylum by another country.

The Defense Department shows a record of about 500 such deserters living in at least 25 foreign countries.

Each is safe from legal prosecution unless he decides to return to the U. S. or to his military unit.

The deserter who does decide to return may face a number of consequences, depending on the circumstances of his desertion and return. In any case, desertion is a crime.

It is within the power of the President to pardon those who have violated Selective Service law. The last time this happened was in 1947, when President Truman issued 1523 pardons.

Registration Required

Voting in Mayor Primary to be by Wards

Granite Cityans will vote by wards rather than city precincts in next week's mayor primary election.

The city's new boundaries for seven wards will be utilized for the first time, and two to six polling places will be open in each ward from 6 a.m. to 6 p.m. Feb. 11.

Voting by wards is permissible under state law, the council has been advised by City Atty. Leon Scroggins, who explained that more than one polling place can be set up in each ward, with the voter going to the one most convenient to his home.

Also, for the first time under a new state law, voters in city elections must be registered. Scroggins said copies of registered voter lists are being obtained from County Clerk Eulalia Hozar for use by the election judges.

Aldermen Concerned
The aldermen are concerned over the registration because of the time that might be consumed in verification. Scroggins has explained that copies of registered voter lists are being obtained from County Clerk Eulalia Hozar for use by the election judges.

Under the election resolution adopted two weeks ago by the council there will be five polling places in the First Ward, four in the Second Ward, four in the Third Ward, six in the Fourth Ward, five in the Fifth Ward, three in the Sixth Ward, and two in the Seventh Ward.

Several aldermen have indicated they plan to devise their own precinct maps for distribution to voters in their wards to familiarize them with the new ward boundaries and to indicate the polling place closest to their home.

Map to Be Published
The Press-Record has published a map of the new ward boundaries and will publish it again prior to next week's election.

City election officials are not anticipating an unusually heavy vote in the mayoralty primary because the contest involves only one office. Estimates by

political observers and election officials range from 6000 to 8000 voters.

Granite City has more than 19,000 registered voters. An official registration figure is expected to be announced soon by County Clerk Eulalia Hozar as a result of a recent special registration period for the mayoralty primary.

The city elections this year will be the first in which voters will be required to attest to official registration with the county clerk's office. In previous years voters in city elections have been permitted to vote so long as their names were on a city tally list of voters.

To obtain their ballots in the city elections, voters will be required to sign an affidavit to the effect that they are qualified voters and are registered with the county clerk's office. Polling places in the First Ward will be at the following locations: VFW building, 2044 Washington avenue; Kingsbeck Homes recreation center; the Gene Forgy residence, 2600 Lincoln avenue; Anchorage Homes, 209 Edwards street; and the William G. Stringer residence, 2812 Marshall avenue.

Ward Two—Nagley building, 2400 Benton street; Kayick Realty office, 2707 Madison avenue; Church of Christ, 2882

Washington avenue; Buxton's Flower shop, 2985 Wixom street; Ward Three—American Legion Hall, 2351 Madison avenue; First Presbyterian Church, 2401 street and Delmar avenue; Pasheba building, 2200 East 24th street; Ward Four—Plumbing shop, 2445 East 24th street.

Ward Four—William D. McBrien residence, 2616 Center street; Glenn Romine residence, 2917 Oregon avenue; Tad's Barber shop, 2024 Illinois avenue; Glen Hommer residence, 4108 Melrose avenue; Niedringhaus school, 29th and State streets; and Simurda residence, 3160 Davis avenue.

Ward Five—Levee Board office, 1707 Madison avenue; Granite City Township Relief office, 1808 State street; James Sikes residence, 2021 Fourteenth street; A.F. Club, Niedringhaus avenue and Maple street; and Green's confectiory, Rock road and Denver street.

Ward Six—St. Margaret Mary Church, 1901 St. Clair avenue; Beauty shop, 2101 Chicago street; and Central Christian Church, 2200 Johnson road.

Ward Seven—Nameoki Methodist Church, Pontoon road and Murdoch avenue, and Maryland Real Estate Office, 2166 Pontoon road.

Bill to Allow Women at 62 Get Full Benefits
"Women power" is being given another boost, this time legislatively by U. S. Representative Melvin R. Hays of East St. Louis, who has introduced legislation authorizing full social security retirement benefits for women at age 62. The Price bill, currently before the House Ways and Means committee, is being co-sponsored by several colleagues of the Illinois congressman.

His bill is in recognition of the tremendous contributions of the American female to our nation's economy and prosperity," Cong. Price explained. "Today, over 50% of our work force is female, and those who have contributed to social security for 30 years should be permitted to retire with full benefits."

Present law permits women at age 62 to receive 80% of the benefits due them in retirement. "My proposal," Rep. Price said, "is not a give-away, but a well-earned tribute to the hardworking women whose names do not appear on welfare rolls and whose efforts have helped our gross national product reach unparalleled heights."

"The bill would free jobs for our younger people by permitting these women to retire in dignity with full security," the Illinois Democrat added.

Pfc John Bonvicino Jr. Arrives from Germany
Pfc John A. Bonvicino Jr., son of Mrs. Evelyn Bonvicino, 2725 Dale avenue, is home on a 30-day leave from Bad Hersfeld, Germany, where he has served with the U. S. Army for the past six months. At the conclusion of his leave, he will return to his base in Germany to complete 11 months of duty and receive his discharge.

A January 1968 graduate of Granite City high school, he entered the Army in Feb. 16, 1967, taking his basic training at Fort Leonard Wood, Mo. Following his training he was sent to Fort Sill, Okla. for Advanced Individual Training prior to advancing overseas.

Production Workshop Set at Alton State
A new production workshop within the Madison County Unit of Alton State Hospital will begin operations Monday, it was announced today by Randy Wheeler, workshop director, who said the facility will provide a working experience and be an aid to patients in securing employment after discharge.

Wheeler said a contract was received Jan. 29, in the amount of \$50, from Spencer's Duroc Sales Catalogue of Gillespie, to prepare catalogues for mailing. The company deals in livestock. About ten patients from the Madison County Unit will start their first assembly job by addressing, stamping and mailing the booklets.

The new workshop will handle small assembly assignments, such as mailing contracts, at the present time and function in a similar manner as Specialized Services and the Illinois Division of Vocational Rehabilitation. The workshop will serve as a training ground for good work habits and provide an opportunity to learn various skills, Wheeler explained.

Candidate Cites Foe's Absence in Phone Book

Of the 22 Granite City officials and aldermen, Clyde Boyd is the only one whose name is not listed in the telephone book, Waldo E. "Ernie" Schellenger said this week. First Presbyterian Church of Granite City has made it difficult for constituents to contact him. The two and Mayor Partney are candidates for mayor in primary voting next Tuesday.

"There are a great number of people in his area who are advanced in years and cannot make it to the Boyd home or to council sessions," he said. "They cannot easily telephone him. Some have made several trips to his home to see him but have been advised at various times that he is out-of-town on business," Schellenger charged.

Conceding that the alderman's wife and their address and telephone number are listed, Schellenger said this is inadequate because many do not know her first name and there are over 60 Boyds listed, including two other Clyde Boyds.

"As mayor, I would not consider it a bother if citizens call my home," Schellenger said in recalling a visit to Washington in which he was able to directly contact Paul H. Douglas, then a U. S. senator, through the telephone directory.

The alderman, who attended Southern Illinois University-Southwestern campus is a graduate of Collinsville high school.

Tax Deadline Feb. 17 Faces Some Farmers

Illinois farmers who did not file a declaration of estimated federal income tax by Jan. 15 may have a tax deadline in February. Those who earned at least two-thirds of their 1968 gross income from farming but did not file an estimate by Jan. 15 can file their 1968 federal income tax return, Form 1040, and pay any tax due by Monday, Feb. 17, to avoid penalty for underpayment of estimated tax.

Returns should be filed directly with the Internal Revenue Service Center, Kansas City, Mo. 64170, IRS District Director Jay C. Philpot reports.

ASSISTANT PASTOR TO DIRECT CHURCH MUSIC
Announcement has been made by Rev. John Pellard, pastor of Tri-City Park Tabernacle, Maryville road and Buenger blvd., of a new assistant pastor, Rev. S. Joseph Geno, who will be in charge of all the church musical activities.

Rev. Geno and his wife, Dorothy, and daughter, Gloria, a junior at Granite City high school, and his mother, Mrs. Rachel Geno, have moved into their new home at 2249 Dawn place. They arrived here from Hope, Ark.

Rev. Geno was raised in New Jersey and graduated from Central Bible Institute in Springfield, Mo., where he met his wife. His last appointment was as pastor of the Southside Assembly in Hope.

He was minister of music at the First Assembly of God in Hope for a number of years and also worked as an announcer at the Hope Broadcasting Co. for eight years.

As a hobby, he raised registered Angus cattle, which he will sell due to his move here. Hope is known as the "watermelon center of the world." Largest melon ever grown there weighed 185 pounds, and melons of 110 to 120 pounds are not unusual.

Rev. Geno previously was assistant pastor at the Assembly of God Church in Marshall, Mo. Rev. and Mrs. Geno also have been missionaries; he served as pastor of the Italian Assemblies of God Mission in Pompei, Italy.

Mrs. Geno is regarded as an outstanding pianist for gospel music. She also instructs piano students.

Rev. Geno, noted as a song writer and arranger, has begun plans to organize a band and orchestra at the church.

PLAN STUDY OF HAWAII
The Women's Missionary Union of Calvary Baptist Church met there Monday evening.

Mrs. Bernice Sinder, president, was in charge of an executive meeting.

The study chairman, Mrs. Lois Bowers, has announced a churchwide book study on Hawaii. Plans include Hawaiian luau Feb. 27 at the church, with appropriate decorations.

Home Bible study groups will begin meeting twice a month in members' homes. A banquet will be held at the church Feb. 15.

Mrs. Emily Hagopian, mission action chairman, reported that a valentine party will be given in honor of Golden Age ladies at the church.

Mrs. Lois Bowers, Pat Heath and Wanda Belcher were in charge of a Royal Service meeting held after the business session.

Members attending included Mesdames Mabel Turnbull, Wilma Herrings, Thelma Phillips.

Smith Plant Officials Hear Reports From Top

For the fourth consecutive year, A. O. Smith Corporation's top management has made a comprehensive report to the entire management group on the past year's activities. This year's report to 50 members of the management staff of the Granite City plant was made Tuesday at a meeting in the Chase Hotel, St. Louis.

"Live" presentations, films and slides were used in describing the firm's operations and activities. In addition to Granite City, the presentation will be made in 14 cities to more than 1150 members of management.

American Independent Party to Choose Board

A regular meeting of the American Independent Party will be held at the Morris Agency in the Union Savings and Loan building, 101 West Main street, Collinsville, Saturday at 8 p.m., at which time a board of directors will be elected and financial planning will be reviewed.

A party spokesman said all supporters and other interested persons may attend the meeting, described as a "continuing organizational conference."

Plans call for a county association vacation school clinic to be held March 31 at Calvary Baptist Church, Granite City.

VALENTINE MEETING OF FRIENDSHIP CLASS
The Friendship class of Second Baptist Church met Monday evening at the home of a substitute teacher, Mrs. Georgia Mitchell, 2113 Illinois avenue.

Mrs. Virgie Finn opened the meeting with prayer. Mrs. Darlene Hartel led a discussion of the class project for the month, which will be to donate toward the meeting of the class.

The health lesson, "Fever," was given by Mrs. Virginia Little.

It was announced that Mrs. Ada Materis will attend a dryness lesson in Edwardsville Feb. 13, and Mrs. Dorothy Luckert

will attend a clothing class there Feb. 14.

A report of the state meeting Jan. 23-24 in Urbana was given by Mrs. Dorothy Schaeffer and Mrs. Shirley Schilling.

New members present were Mrs. Lucille Pierce, Mrs. Marie Cook, Mrs. June Fritz and Mrs. Diana Meszaros. Guests were Mrs. Golda Thornburg and Anna Robertson.

Members attending included Mesdames Peggy Barge, Ruth Brave, Wilma Britton, Pat Cavar, Edna Buenger, Vivian Forshie, Mable Gertsch, Ivan Graklanoff, Mary Ellen Lewis, Florence Rapp, Helen Schaefer, Clara Schilling, Jerry Short, Lela Soechting, Rose Stearns and Laura Sykes.

BROWNS TO TOUR ANIMAL HOSPITAL
Brownie Troop 342 met at the home of the leader, Mrs. Jean Andrews, 3247 Erin drive, Tuesday afternoon.

The troop discussed care of pets and made plans to further its animal care study with a visit in the near future to the

Belleme Animal Hospital.

Mrs. Andrews and the co-leader, Mrs. Lorraine Stawar, announced that an American flag is being given by American Legion Post 113, headed by Robert Summers.

Refreshments of flag-shaped cookies were furnished by Rita Lovins and served to Carla Svoboda, Kim Andrews, Karl Kendall, Lori Astorian, Lisa Kee, Tammy Vail, Rita Collins, Cheryl Lewis, Paula Gendron, Connie Stawar, Lesia Snider, Penny Gendron, Pam Bevis and a new member, Judy Rider.

FELLOWSHIP MEETINGS
Youth of Central Christian Church will attend world fellowship meetings this weekend.

The senior high group will meet in Belleville Friday night and Saturday, and the junior high group Saturday in East St. Louis. James Ash is the senior high leader and Mr. and Mrs. Donald Line are leaders of the junior high group.

HEAR TALK ON COLLEGES
The first session of an annual School of World Outreach was held Sunday at Central Chris-

tian Church. Mr. and Mrs. Verne Deuschman are chairmen of the world outreach department.

Dinner was served by ladies of the church and dinner music was provided by the Future Generations band. Mesdames Vanna Berthiger, Joyce Bennington and Mildred Collins were in charge of the dinner.

Rev. Robert Bromley of Eureka College, Eureka, Ill., spoke on "The Small Private College's Role in Higher Education."

The next session will be held Sunday at 6 p.m. at the church. Topic will be "The Christian Church's Homes for Children and the Aging." Guest speaker will be Rev. Paul Ely of St. Louis, National Benevolent Association representative. Refreshments will be served and interest groups provided for children and adults.
